ABOUT COLLEGE

Christ College (Autonomous), Irinjalakuda established in the year 1956 by CMI fathers has always been a place where young generations are moulded towards a bright future. College has excellent infrastructure, with state of the art laboratories, seminar rooms and lecture halls. The campus is Wi-Fi enabled. Presently College is home for 4500+ students, 200 teaching staff and 45 supporting staff. The strength of the College lies in its hardworking and tech savvy teachers who are eager to involve in all matters of students. The lush green campus with gardens and open gym is moving towards the next phase on education both offline and online.

WHAT IS THE COURSE?

Financial Markets Professional Program is a comprehensive course on Banking & Financial Markets which will prepare participants for aggressive competition and decision making. In addition, the course integrates near real time case studies to develop candidates' practical knowledge and skill sets.

The Finance Market Professional Program Consists of four modules

- Fundamentals of capital market
- Mutual funds
- Securities operations and risk management
- Investment advisor

At the end of the course, you will be able to confidently talk investments, be ready to be an analyst and eventually manage equity portfolios.

SCOPE OF THE COURSE

INTERNSHIP

During the summer vacation of the second year students (who have completed all the four modules successfully), Finmark shall strive to use its good offices to try and organize for internships for a period varying from 10 days to one month.

EMPLOYMENT OPPORTUNITY:

When the students complete their Final year degree or PG, Finmark shall use its good offices to bring potential employers to Christ College or otherwise render help to the students (who have completed all four modules) to find suitable jobs.

PREPARATION FOR INTERVIEW:

Finmark shall organize a two day session to improve the soft skills of the students (who have completed all the Four modules) and conduct mock interviews. This session will be open only to Final year degree and Final Year PG students.

LEARNING OUTCOMES

- To get a basic understanding of the products, players and functioning of financial markets, particularly the capital market.
- To know about the roles of different players viz., custodians, asset management companies, sponsor etc. in the mutual fund industry.
- To have a comprehensive and broad based knowledge about the securities markets and to get acquainted with various securities markets products, rules and regulations.
