Feedback Obtained

Method: Online feedback system has been developed to collect the feedback except from parents. Feedback from parents were collected offline during the PTA meeting held two times a year. Feedbacks were collected anonymously to reveal real responses. They were analyzed using Microsoft excel through statistical tools. **Analysis and Utilization:** a. Feedback from students Two types of feedback were collected from students. A) Feedback from students on teachers curriculum was collected towards the end of every semester. The feedback collected through online Knowledge Pro system were consolidated in department level and also in college level. The individual results were handed over to teachers by Principal in personal meeting and the shortcomings were discussed. The consolidated result of the Department is handed over to Head of the Department. The consolidated college result was discussed in the Teachers meeting. B) Feedback from students on College facilities and academic atmosphere (Student Satisfaction Survey). This feedback was collected from outgoing students (sixth semester UG and fourth semester PG) during the end of their academic year. Suggestions regarding syllabus, infrastructure, canteen, computer labs were discussed in BoS and Academic Council meetings respectively. b. Feedback from teachers Feedback from teachers was collected at the end of academic year. Anonymous collection was used to reveal the real feedback. Principal analyzed the feedback and took necessary corrective actions. The suggestions from teachers regarding infrastructure were sent to College Management also. c. Feedback from employers Feedback from employers were collected in the year end of the academic year. The analysis report and suggestions were discussed in the meetings of a) Career Guidance and Placement Cell b) IQAC. Necessary corrective actions were taken. d. Feedback from alumni Alumni feedback was collected from alumni after one year of their graduation. IQAC analyzed the feedback and Principal forwarded the report and suggestions to Board of studies of various subjects to incorporate the changes in curriculum. The report was also presented in the meeting of Career Guidance Placement Cell. e. Feedback from parents The questionnaire for parents were prepared in Malayalam and was collected during the PTA meeting. The feedback report was presented in the staff meeting and in Discipline committee meeting. **Brief Summary of Actions taken:2018-19** a. More chairs were arranged in College canteen as per the suggestion from students. b. Skill oriented certificate programs were started as suggested by students, alumni and employers. c. Syllabus changes were done incorporating the suggestions from students and alumni. d. Placement cell conducted a greater number of soft skill development trainings -suggested by alumni and employers. e. More computers were installed in the Library Internet café for students-suggested by students. f. 5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Christ College have vibrant student councils which gives efficient leadership to students to involve in the matters of college. They work shoulder to management and staff creating a conducive atmosphere. Their suggestions are given maximum consideration during the decision-making process regarding daily affairs, examinations, sports and cultural activities. Often it is their interference in many matters which safeguard the institution. In Christ College we have two prominent bodies through which students are involving the administrative and academic activities. Representatives from each class are selected via election to the College Parliament. College follows guidelines of Lyngdowh Commission report to conduct election. This allows students to have a experience on the democratic election process. Members are elected to College Student Union from the parliament. Once elected the Students council act impartially for the common good of students under the guidance of Staff advisor appointed by College Principal. Principal also appoints two teachers as Fine Arts Coordinator. Main activities of Students council in the year 2018-19 are A) Students council sponsored note books to students of RILP School, Chettiyal and served lunch on 04-09-2018. 7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Increasing Environmental consciousness • Biodiversity club of the college conducted seven awareness programs including invited lectures, documentary screening debate and Quiz competition to create awareness among students.

Water conservation and Energy Reduction • College purchased 5 star inverted AC to reduce the power consumption with an energy saving of 3000kWh. • Total 450 FT lamps were replaced with LED in hostel and premises in the year 2018-19 creating an energy saving of 4200 kWh. • Additional two tanks of 10,000 litre capacity were installed this year for rain water harvesting. • 25M3 Bio gas plant is constructed behind our mess of boy's hostel. This is reducing our consumption in LPG. The kitchen wastes from canteen, mess is feeding into bio gas plant. Approximately 5Kg of LPG of reduced per day by the installation of this bio gas plant. • Twenty (20) kW solar panel was installed in the main building.

Plastic free campus • Use of plastic is banned in the camps. NSS Units are making paper pens using old pen bodies. NSS units are also actively making paper bags and gave training to school students in making them.

Cycle donation • Thavanish the social club distributed seven bicycles to students

Paper less Office • As part of moving towards paperless office, the internal examination marks, examination schedule are made online to prevent use of paper.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice -1 Title of the Practice ICT Integration and e-Learning
Objectives of the Practice To use Information and Communication Technology to enhance the Teaching Learning Process. To enable teachers, equip with modern technologies in teaching and make them adaptable to engage next generation learners To help students in their regular academic activities and also to train them to face competitive exams in online mode for higher education and job opportunities. The context Technology enhanced learning is gaining much importance in higher education sector. Many universities are moving to online education as this mode provides not only easily accessible education but also affordable education. The use of ICT in education sector is gaining importance in our country too. Students who by any chance miss their regular classes, can use the recorded sessions and other study materials if ICT methods are adopted.

Most of the entrance examinations to universities, JAM and NET exams are conducted online. Students of our college, majority of who come from rural areas face difficulties during such exams as they are not familiar to such technologies. Proper training for online exams will surely enhance their chances to be successful in such entrance examinations. The Practice ICT team was formed under IQAC to spearhead the ICT activities. Training on Moodle software, course content generation, online examinations and moodle management was conducted in the previous academic year 05th-06th May 2017. It was decided in the College council meeting to conduct internal examination in moodle LMS if the teachers wished to. Seven teachers got certified in Microsoft Excel to be used in ICT enabled education on 14-July-18. Two-day training on the topic "Techno pedagogy and MOOCs" was conducted to equip teachers on 22-23 Nov 2018 for which the resource persons were EMMRC Calicut and Dr. Biju Kadinjiyil, Assistant Professor, Central University, Tamilnadu. One day workshop on "E-

content authoring using Adobe Captivate" was conducted on 16-Feb-2019 for which the resource person was Dr. Parthasarathy M, Department of Educational Technology, Bharatiyar University. ICT team was now ready and conducted more trainings of their own to other teachers. Students were enrolled to moodle and JAM coaching was conducted by departments of Physics, Chemistry and Mathematics. Started recording of video lectures which resulted in two blended value-added courses. Evidence of success Thirty percentage of teachers started using moodle LMS and other ICT resources. Students were very excited to use the technology. ICT team became capable to work as resource persons and started giving training to teaching staff of other colleges. Ten internal exams were conducted online with multiple choice questions in moodle LMS, which reduced the workload of teachers and reduced the use of answer papers. More number of students got qualified in JAM examinations from the Departments of Physics (7), Chemistry (5) and Mathematics (4). Problems encountered and Resources Required Infrastructure facilities like computer labs and internet connectivity should be increased. Some teachers were reluctant to adapt with the new technology.

Students who were deprived of gadgets faced difficulties in accessing the moodle LMS. No of computers in the labs should be increased and students are to be allowed to use their smart phones in the classes. Notes (Optional) Policy level decisions should be made to popularize the use of ICT in college campus. More teachers should be given training on using ICT tools. More open resources should be used to reduce the cost of production of ICT enabled methods. Best Practice -2 Title of the Practice Earth for all: Environmental consciousness to students Objectives of the Practice To inculcate a sustainable lifestyle to students. To reduce the carbon footprint of the College. To introduce environmental consciousness in aspects of Teaching and Learning. The context Even though College is on the fore front of Environmental conservation many of the students lack proper orientation on waste segregation and proper treatment.

The Practice All VIP's who visit College for seminars, workshops or other functions are requested to plant trees in the college premises. Students become aware of the importance of forestation. Under the "Entae Maavu" Programme the students and teachers of Biodiversity Club develop mango saplings and distribute to other colleges and schools. Biodiversity Club and Botany Department maintains 20 cents, as "Santhistal" where the rare endangered and threatened plants are planted and maintained. Star vanam (Nakshathravanam) is maintained -a joint venture of Bhoomithrasena and Botany Department Poly-house farming by Biodiversity Club and NSS units of our college creates the awareness on biopharming and respect to farmers. NSS units started the "PENDRIVE" in which they collect the plastic body of used pens. Such pens are recycled by adding new refills and selling at low cost. The Environmental Science Department sensitizes the students by preparing logos and slogans. Separate cans are arranged to separate organic waste. Solar panels are installed and the excess energy is given to KSEB under the on-grid scheme. Rain water harvesting is implemented with a capacity of 25,000 liter. Check dams are made in College garden and premises to help rainwater to become groundwater. Evidence of success General environmental awareness has been increased. College campus has become cleaner. Ground water level in the surrounding areas increased. Problems encountered and Resources Required Food waste are dumped in the college garden. The plastic carry bags are scattered in the garden.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Extracurricular activities (Sports and Club activities) The vision of Christ College is to "Mould an enlightened generation by developing the potential of individuals through quality higher education and moral value inculcation".

Overall wellbeing will be achieved if a student can achieve physical, intellectual, and moral standards. The performance of our alumni and the positions achieved by them exemplifies the quality of higher education in Christ College. College is keen to impart moral values into the lives of students. College achieves this by giving opportunities to students to take part in sports activities and extracurricular activities. Sports activities College has provided excellent facilities for sports and games which in turn creates an atmosphere of physical fitness for the students. Our facilities include 400 meters athletic stadium, Football field, Basketball courts (4), Volley Ball Courts (4), Badminton court (2), Tennis Court (1), Weight training halls, and Gymnasium (5) to name a few. In the year 490 students participated in University events and we have 48 College teams. Separate coaches and trainers are appointed for each event to give professional training. In the year 2018-19, we achieved Four international medals, Thirty-Four National medals, and Fifteen Interuniversity medals which adds up to a staggering number of fifty-three which may be the best in the Nation. Christ College also achieved the championship 'Calicut University Aggregate Championship in Men and Women. College achieved the PEFI award for the best college in India promoting sports and games. Club activities and Social Work The college has Twentyone students club to enhance their overall development which is Students Union, National Cadet Corps (NCC), National Service Scheme (NSS), Catholic Students Association (CSA), Women's Development Club, Thavanish (Social Service), Bahuswara (Disability club), Christ College Readers Club, Christ College Cycling Club/tourism, Entrepreneurship Development Club, Biodiversity Club, Bhoomithrasena, Enviro Club, Quiz Club, Debate Literary Club, Film Club, Fine Arts Association, Dance Music Club, Drama Club, and Spic-Macay. Students gain interpersonal communication skills, leadership skills, and concern towards the marginalized through the club activities. Starting from blood donation to stem cell donation, Environmental consciousness to literacy programs, our students are getting excellent training to become the best citizens of India. The relentless efforts of our teachers and students have made the college an icon in the local community where the deprived approach for support. College was the distribution center during the Kerala Flood which distributed essentials and Provisionals to more than two hundred relief centers. In the year 2018-19 more than one hundred and thirty programs were conducted by the Clubs. The special program Savishkara organized by the club Thavanish requires special mention. For the last two years, this program exhibits the talents of mentally disabled students of the surrounding special schools which are accoladed by Irinjalakuda Municipality. Students are encouraged to participate in this program which develops the qualities like compassion, empathy, and leadership. These opportunities for extracurricular activities are distinctive of Christ College which truly targets the vision of the College

8.Future Plans of Actions for Next Academic Year

Curricular aspects -(a) Feedback from employers indicated the need for value-added courses which should be career-oriented. It was decided to give prime importance to enhance the number of such value-added programs in consultation with the Industry. (b) Implementation of Outcome-Based Education (OBE) As per the directions of UGC and KSHCEC College has identified OBE, very essential to improve the quality and achieve holistic education. Conducting workshops for teachers and

implementing OBE will be another target for the next academic year. Teaching Learning and Evaluation-(a) As part of implementing ICT, College will be starting an open courseware portal, which will be freely accessible to students and also to the public. (b) To improve the quality of the exam it was decided to establish a Question bank system with software. Later the questions may be framed as per OBE. (c) Make college a local chapter for NPTEL online courses. Research and Innovations-(a) College needs more research facilities as an increased number of faculties are engaging in research especially in the Zoology Department. Construction of Research block for Zoology Department is included in the future plan of the College. (b) College struggles with a smaller number of consultancies and partnerships with industries. It was decided to take measures like industrial visits by faculty and inviting industrial experts to college to strengthen Academy-Industry partnerships. Infrastructure and Learning Resources-(a) College conducts a four-year degree course Integrated BPE (Bachelor of Physical Education). It is planned to build a Physical Education complex near the Athletic Stadium to incorporate all the amenities. (b) As more teachers are getting moodle (LMS) friendly, College has identified the need for a centralized computer facility to conduct online internal exams and conduct coaching for competitive exams. Student Support and Progression-(a) College conducts regular orientation programs for first-year students. A one-week induction program- Dheeksharamb as per direction from UGC will be started from next academic year onwards. (b) The college has started the mentoring system. To classify students as fast, medium and slow learners the marks of qualifying exams were the mandates. Next year an online screening test will be conducted to classify students. Governance Leadership and Management-(a) In the next year the Administrative Office of the College will be subjected to ISO certification. Institutional Values and Best Practices-(a) As per the suggestion from the disability cell, a greater number of buildings in the College will be made disabled-friendly by making ramps. (b) More solar power by implementing solar panels. (c)The plan to establish a butterfly park near Botany Department is also included for next year.

4.1.2 The institution has adequate facilities for sports, games (indoor, outdoor) gymnasium, yoga Centre etc. and cultural activities

Response

Christ College is committed to motivate students for participating in various extracurricular activities by ensuring consistent motivation. The necessary facilities are provided and adequate funds are allotted. The Sports and Cultural Committees supervise the extracurricular activities. The institution is having a separate Physical Education Department and a professional course offers Bachelor of Physical Education (B.P.Ed-integrated 4yrs) . The course has been designed to impart professional training for teaching Physical Education, Sports and Health Education in high and higher secondary schools and to develop competence in assisting the conduct of sports programmes in higher education. The Sports Department has brought various laurels to the college. Christ College won G.V Raja Award for best college in sports instituted by Kerala Government in 2020. Fr.Joy P.T assistant professor Department of B.P.E won G.V Raja Award for best physical education teacher of Kerala state, instituted by sports council government of Kerala. The college was overall champion with first position among 480colleges of Calicut University. The College participates in more than 50 games every year. The sports students are motivated by providing them with scholarship and free accommodation in the hostel. College provides TA/DA to players which include expenses for special diet as per their requirement. College team is provided with Sports Kits which include uniforms and other requisite materials. Students, who have played Inter University / All India sports, get full concession in tuition fees and who, have played state level sports, are entitled for 50% of concession in their tuition fees. College management provides cash prize/certificates/mementos etc. to deserving sports persons to motivate them to achieve excellence in their pursuit of sports. Our students excel in sports and

games and are champions in Inter-national, University, State and National events. To promote sports and games the institution has outdoor and indoor games facilities. Spacious and well-equipped outdoor play area in the campus ensures effective training for players. The area of the playground is useful for conducting various intra & inter-college sports events and annual sports meet.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Christ College have vibrant student councils which gives efficient leadership to students to involve in the matters of college. They work shoulder to management and staff creating a conducive atmosphere. Their suggestions are given maximum consideration during the decision-making process regarding daily affairs, examinations, sports and cultural activities. Often it is their interference in many matters which safeguard the institution. In Christ College we have two prominent bodies through which students are involving the administrative and academic activities. Representatives from each class are selected via election to the College Parliament. College follows guidelines of Lyngdowh Commission report to conduct election. This allows students to have a experience on the democratic election process. Members are elected to College Student Union from the parliament. Once elected the Students council act impartially for the common good of students under the guidance of Staff advisor appointed by College Principal. Principal also appoints two teachers as Fine Arts Coordinator. Main activities of Students council in the year 2018-19 are A) Students council sponsored note books to students of RILP School, Chettiyal and served lunch on 04-09-2018. The distribution was inaugurated by Panchayat President Mr. Sudhan. B) Teachers day celebrations was conducted by Students council on 05-sep-2018 with a variety of programmes including fun and sports for the teachers. C) Organized fund-raising musical show by Karinthalakkootam on 25-09-2018. The fund collected was utilized to build homes for students who lost their houses during the flood. D) A book exhibition was conducted by the students Council on 08-09 Oct 2018 in association with National Book Stall. E) Students' council celebrated World disability day on 03-12-2018 at Pope Paul Mercy Home, Thrissur. F) Chilambu the youth festival of Christ college was organized as two sections, off stage events and on-stage events on 10th, 11th 12th the dec 2018 the off-stage events were held at afternoon
