1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?
(maximum 500 words)

Feedback Obtained

Method: An online feedback system has been developed to collect the feedback except from parents. Feedback from parents was collected offline during the PTA meeting held two times a year. Feedbacks were collected anonymously to reveal real responses. They were analyzed using Microsoft excel through statistical tools. Analysis and Utilization: A. Feedback from students. Two types of feedback were collected from students. 1) Feedback from students on teachers curriculum was collected towards the end of every semester. The feedback collected through the online Knowledge Pro system was consolidated at the department level and also at the college level. The individual results were handed over to teachers by the Principal in a personal meetings and the shortcomings were discussed. The consolidated result of the Department is handed over to the Head of the Department. The consolidated college result was discussed in the Teachers meeting. 2) Feedback from students on College facilities and academic atmosphere (Student Satisfaction Survey). This feedback was collected from outgoing students (sixth semester UG and fourth semester PG) during the end of their academic year. Suggestions regarding syllabus, infrastructure, canteen, computer labs were discussed in BoS and Academic Council meetings respectively. B. Feedback from teachers Feedback from teachers was collected at the end of the academic year. Anonymous collection was used to reveal the real feedback. Feedback from employers Feedback from employers was collected at the year-end of the academic year. Feedback from alumni Alumni feedback was collected from alumni after one year of their graduation. The report was also presented in the meeting of the Career Guidance Placement Cell. C. Feedback from parents The questionnaire for parents was prepared in Malayalam and was collected during the PTA meeting. The feedback report was presented in the staff meeting and in a Discipline committee meeting. Brief Summary of Actions taken:2019-20 1.Discipline in Hostel- The discipline committee of the hostel was reconstituted including more bachelor teachers and senior students. 2. Assistance for placements- Three-day career orientation and placement training were conducted by Career Guidance and Placement Cell in association with IQAC. Separate mock interviews were conducted to students who cleared written exams. 3. New software - from Linways was introduced to speed up the online fee payments. 4. Decided to install a greater number of ceiling fans in classrooms. 5.Passenger lift for disabled has been included in the RUSA project for the main building. 6. Decided to construct another passenger lift in the New Science block. 7.Resources Library working time has been extended to one more hour. 8.Directed Career Guidance and Placement Cell to conduct more training on interview skills. 10. Spoken English classes to be conducted to students from first year onwards 11. Interview skills training should be conducted for third-semester students. 12. 5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Christ College has vibrant student councils which give efficient leadership to students to involve in the matters of college. They work shoulder to management and staff creating a conducive atmosphere. Their suggestions are given maximum consideration during the decision-making process regarding daily affairs, examinations, sports, and cultural activities. In Christ College, we have two

prominent bodies through which students are involving the administrative and academic activities. A. Students Council and B. Students IQAC (SIQAC) Students Council (Union): Representatives from each class are selected via election to the College Parliament. The main activities of the Students council in the year 2019-20 are 1. As a tribute to the teachers, the Christ College union hosted "AADHARNIYAM" on the 5th of September 2019 from 11:00 am - 12:00 pm. The student's corner was the venue for the gathering. Sports and cultural activities like Dubsmash, musical chair, vadam vali, and throw ball competitions were the highlights. 2. With regard to Gandhi Jayanti a 3 day Online Quiz contest was conducted from October 2, 2019, to October 4 2019 on the Christ College IQAC Instagram page. 3. With regard to the Childrens Day celebration an online Children Portrait Competition was conducted for our students on the Samatva Student Union Instagram Page . The winners were announced on 16/11/19. 4. Samatva students union celebrated childrens day with differently-abled children of Pratheeksha Bhavan on 14/11/2019. Class representatives and teachers shared the joy of the day with the inmates by cake cutting. 5. In order to enhance the interactive and presentation skills of the students the RJ hunt was conducted in the college in collaboration with Club FM 94.3. RJ Vineeth and Sri. Manoj Kammath of Club FM conducted the hunt. 6. The art festival of Christ College 2019 -2020 was given the name "CHAMAYAM". Almost all the events of Zonal competitions were conducted. 7. Celebrating the social, economic, cultural, and political achievement of women , International women's day was conducted on March 8, 2020. The program was inaugurated by Aparna Sarakumar , a respected Police officer. Students IQAC (SIQAC): The students wing of IQAC is a vibrant group of students who work closely with IQAC. Feedback and suggestions from SIQAC are the main driving force in implementing Student-centric Quality initiatives of the institution. By being members of SIQAC they get a chance to be part of decision making. The primary aim of SIQAC is to develop a culture of responsibility and involvement in the activities of the institution and take part in the decision-making process and disseminate the instructions from IQAC to the student community. The main activities of SIQAC in the year 2019-20 are 1) Members of Students IQAC arranged help desks during College admission, NPTEL registration, and Student login registration. SIQAC members were given required information and training to be the volunteers in the helpdesk 2) Members of students IQAC prepared audiobooks and edited in Obi software. Which was contributed to National Sugamya Pusthakalaya 3) Monthly news collected from students and consolidated to video format with the help of technical staff.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

6.1.1 - Mention two practices of decentralization and participative management during the last year (maximum 500 words) The organizational framework of Christ college is capable of handling not only the daily chores but also the unprecedented incidents. Apart from the Manager and Principal of the College the Core team of the College consists of three Vice Principals, two Deans, Controller of Examination, and IQAC Coordinator. Important matters pertaining to Academics and Administration are first discussed in the core committee meeting and then proceed to the College Council, Council of Heads of the departments, and IQAC meeting. Subcommittees are formed in such meetings and are entrusted with freedom and necessary resources to perform. Many times, feedbacks and suggestions from students are also included thus they are also included in the participative management. Practice 1: Formation of CCRPC (Christ College Research and Consultancy Promotion Council) and Implementation of CCRSF (Christ College Research Seed Fund) • An umbrella body to oversee the research and consultancy activities of the College was identified in the meetings of Research guides with the Principal. • After discussion in the Academic Council of the college, College IQAC was given charge to set the guidelines. • It was also decided to establish seed money to the budding researchers under the name Christ College Seed Fund. • The policies and guidelines were formulated, discussed in the Core Committee meeting, and reformulated. • The reformulated policy for CCRPC and CCRSF was established in the Governing Council meeting. • Proposals were invited for the Seed money. The committee of CCRPC scrutinized the proposals and seed money was distributed. Practice 2: Online Education portal - Christ OpenCourseWare • Online education was identified as a need of the hour in the IQAC meeting. The ICT team of the IQAC was asked to study the matter in detail. • IQAC conducted a survey among students through the Students IQAC and it was identified that flipped classrooms were the best option. • IQAC proposed to start an education portal incorporating suggestions from students and drafted the guidelines for Christ OpenCourseWare. • The policy and guidelines were resolved in the Academic Council of the College. It was also decided to get financial support from the Corporates. • The education portal was established, and the audit course for UG First semester Environmental Science was offered in the flipped model. • The successful model was discussed in the staff meeting and it was decided to offer more courses online through Christ OpenCourseWare.

displayed on the College website, and circulated through social media. • Helpdesks are arranged in the college library to assist prospective students in filling up the application form and online fee payment. • Trial allotments are conducted which gives students a chance to change their options if required. • Intimations via SMS and email are sent to students and parents. • Fair admission process is conducted centrally in the auditorium in adherence with Government restrictions. • Separate admission counter and helpdesk are provided for students with disabilities.

Industry Interaction / Collaboration

• Experts from industry are included in the Academic Council, Governing council, IQAC, and Board of Studies. • Engaged in MoU with industries- The Strategist, Nexus, TCS, and Star Innovation. • College has linkages with neighboring industries KSE Ltd, KLF Nirmal, and KPL Shudhi for collaboration in the field of infrastructure, training and development.

Human Resource Management

• Well defined policy of the college ensures appointment of a qualified and enthusiastic person to the College. • New appointments are conducted as per Government regulations. • IQAC conducted a two-day orientation program for newly appointed teachers. • Guidelines were prepared by IQAC for the training of newly appointed teachers. • Teachers who attend FDPs and refresher courses are provided with the registration fees and Travelling Allowance. • Self-appraisal system was implemented and teachers met the college Manager and Principal for reviewing their progress.

Library, ICT and Physical Infrastructure / Instrumentation

• Smart card system to monitor the entry and issue of library cards are functioning well in the Library. • The library ERP software Bookmagic is used for Library Management • Library blog site was started to share additional information with students and the public. Previous end semester question banks can be assessed through the blogsite. • ICT enabled teaching was enhanced through moodle learning management system. • Online Education portal Christ OpenCourseWare was established incorporating a four-

quadrant system of MOOC. • Course contents of the audit course - Environmental Science was distributed through Christ OpenCourseWare and exams were conducted through Moodle LMS. • Course modules were distributed through the Youtube channel Christ OpenCourseWare.

Research and Development

• Completed construction of Zoology Research block. • Christ College Research and Consultancy Promotion Council (CCRCPC) was constituted to spearhead and monitor all the research and consultancy activities in the College. • To promote research culture among young faculties, Christ College Research Seed Fund (CCRSF) was instituted and research funds were distributed. • Best research paper awards were distributed to student and faculty. • Christ research fellowship was awarded to research scholar. • Research topics of research scholars were presented in the Research Advisory Council for the approval. • MoU was engaged for international collaboration in research with Zululand University, South Africa.

Curriculum Development

• Choice Based Credit Semester System (CBCSS) is implemented in the Programmes. • Feedback from alumni, employers, and teachers was incorporated in the syllabus revision meetings of the respective Board of studies. • Nine more certificate courses were started. The curriculum for these courses was discussed with industry experts in the Board of studies and was approved by the Academic Council of the college. • Manual for Outcome-Based Education was developed.

Teaching and Learning

• Screening test comprising of Core level proficiency, English proficiency, and Logical and Numerical ability was conducted to assess the learning levels of students. Based on these tests students were divided to slow, medium, and advanced learners. • Peer Learning Group method was introduced successfully for 2019 admission and 2018 admission students. • Three workshops were conducted in the academic year to equip teachers for ICT-enabled teaching. Moodle LMS was introduced to teachers. • Teachers' diary (handbook) is provided for

teachers to plan the academic sessions, record daily works and store the details of attendance and internal marks of students. • Teachers are instructed to inform their leave at the earliest to arrange alternate classes. • Comprehensive Result analyses were done statistically in which a) weak students were identified, b) courses that require special attention were identified, and c) results of classes were screened. • Department level meetings and PTA's were conducted to review the results.

Examination and Evaluation

• Academic Calendar and Examination schedule was prepared in the beginning of the year and were informed to all students and staff through the college web portal, College handbook, and Notice board. • All examination processes including exam registration, hall ticket generation, revaluation was managed online through ERP-Knowledge Pro. • Centralized evaluation camps were conducted for impartial evaluation which also resulted in the early announcement of results. • Question bank system was introduced. The question bank also has the additional feature of Outcome-based education. • Internal and External mark entry, Grade calculations, consolidated absentee statements were done through the ERP software Knowledge Pro. • New module introduced in ERP for generation of consolidated internal grade sheet. • To safeguard the secrecy of examination processes, Internal and External question papers, Exam answer sheets were printed and arranged in Pareeksha Bhavan.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Finance and Accounts	<ul style="list-style-type: none"> Accounting software TALLY is used to maintain the daily accounts. Cash books, Income Expenditure statements are generated using the software. The salary bill generation and submission are done using the software SPARKS. The PFMS platform of the Government of India is used for disbursing and receiving Government funds.
Planning and Development	<ul style="list-style-type: none"> The academic calendar is prepared and e copies are sent to all stakeholders. The venue booking and registration is done using a new e-

	<p>module on the website, which helps the even distribution of resources. The system helps to book the resources on a first come first serve basis, along with approval/rejection by authorities.</p> <ul style="list-style-type: none"> • Feedback from students, employers, and teachers is collected online and analysis was done using Microsoft Excel.
Student Admission and Support	<ul style="list-style-type: none"> • The student admission procedures are including receiving of applications, fee payment, processing of rank list, and publication of eligible candidate list are done through knowledge pro the ERP software. • Applicants receive SMS and email regarding the details of admission. • Online TC system introduced. • Training for competitive exams, mock tests are conducted through Moodle LMS. • Students can view their attendance, internal marks, and end-semester exam results online.
Examination	<ul style="list-style-type: none"> • OBE enabled Question bank software (Qnsmart from IPSR solutions) introduced. • All exam-related procedures- announcement, exam registration, hall ticket generation, barcoding, mark entry, processing of grade sheets are done through the ERP software- Knowledge Pro. • Absentee statement was processed using an in-house software using Microsoft Access.
Administration	<ul style="list-style-type: none"> • Most of the internal correspondences are communicated through email. • For complaint registration on computers and accessories, an e-ticket system has been introduced. • Computers in the Administrative Office are connected through LAN which enables easy file transfer and sharing.

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

The College has a mechanism for internal and external financial audit. Audit of accounts of the college is conducted Internally and Externally. All the audits are conducted at the end of the financial year. Internal Audit: • The internal audit is entrusted to a registered firm of chartered accountants. It is conducted once a year by the Audit firm TIJ Associates, Chartered Accountants, Irinjalakuda. The management accounts are audited by internal auditors of CMI Devamatha Province. External audit: • The accounts are externally audited by Departmental Audit by the Zonal Deputy Directorate of Collegiate Education, Thrissur and the Office of the Accountants General (AE), Kerala, Thiruvananthapuram with respect to the Government/UGC fund. Funds coming under the external audit are a) Principal Deposit Account (PD Account), b) Autonomy Grants from UGC and c) any other finds from Government. Audit Objection redressal mechanism The internal and external audits are undertaken annually, and the auditor's reports are presented before the Principal of the College with points for discussion and clarification. The audit objections are addressed by the Finance and Resource Mobilisation Committee and timely and proper clarifications are presented to settle the audit objections.

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

The college has students' clubs who actively involved in spreading the environmental consciousness among students and staff. In the year 2019-20 following important programs were conducted for the purpose. • Biodiversity Club Organized Meet the Scientist Programme on 30-1-2020 • Biodiversity Club Organized Paristhithikam 2020'-Invited lecture on Wildlife Photography and Conservation on 31-1-2020 • Biodiversity Club Organized Two-Day Algal workshop on 14-02-2020 • Biodiversity Club Organized World Wetland Day-A talk on Biodiversity Documentation via India Biodiversity Portal on 02.12.2020 • Biodiversity Club Organized World Water Day- Planted 10 fruit tree saplings on 23-03-2020 • Biodiversity Club Organized International Day for Biological Diversity-a Homestead Biodiversity Identification Contest on 22-05-2020 • Biodiversity Club/Bhoomithrasena Organized Three Day "Clean Campus"-National Training Programme on 01.06.2020 • Ncc Organized World Environment Day/NCC on 06.05.2020 • Ncc Organized Plogging 2020 Plastic Free City on 01.02.2020 • Ncc

Alternate Energy Initiatives- • Installed Biogas plant in boys' hostel is reducing the consumption of LPG. The kitchen wastes from the canteen, the mess is feeding into the biogas plant. Approximately 5Kg of LPG of reduced per day by the installation of this biogas plant. • 20kW solar panel was installed in the main building.

Title	Date of publication	Follow up(max 100 words)
Jeevith Prabha (Human Values)- Value Education	09/08/2019	Values)- Value Education 01/06/2018

Jeevith Prabha the motto of Christ College reflects the holistic approach to education, the institution is trying to impart to its students. Teachers are given the freedom to select topics of their choice after discussion with the Principal and Jeevith Prabha coordinator (He / She may be the coordinator of CSA). The committee including the Principal, Vice Principal, and Jeevith Prabha coordinator scrutinizes and selects the topics. The coordinator then arranges the classes. The schedule is arranged so that a student will receive all the topics during his/her tenure on the campus. The classes are conducted every Thursday first hour. A student receives ten sessions a year. Exams are conducted at the end of the academic year and prizes are distributed to rank holders in a common function

College Handbok 2019 20	09/07/2019	College Handbook contains the code of ethics for students, teachers, and non-teaching staff. It also contains the rules and regulations for students regarding exams and the general code of conduct.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Increasing Environmental consciousness • Biodiversity club, Bhoomithrasena, and Enviro Club of the college conducted six awareness programs including invited lectures, documentary screening debate, and Quiz competition to create awareness among students. • Butterfly garden and Miyawaki forest were established on campus which increased the concern towards nature. Water conservation • One tank of 10,000-liter capacity was installed this year for rainwater harvesting. • Water conservation bunds are maintained in the college garden which increases the groundwater level by seeping rainwater. Energy Reduction • College purchased 5 stars inverted AC to reduce the power consumption with an energy saving of 3000kWh. • Total 250 FT lamps were replaced with LED in the year 2019-20 creating an energy saving of 2800 kWh. • Biogas plant is working in Boys Hostel with the production of 5kg of LPG every day. • On-grid solar panels of 150 kW are working at full capacity which reduced the energy bill considerably. Plastic-free campus • Use of plastic is banned in the camps. NSS Units are making paper pens using old pen bodies. NSS units are also actively making paper bags and gave training to school students in making them. Paperless Office • As part of moving towards a paperless office, the internal examination marks, examination schedules are made online to prevent the use of paper.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice -1 Title of the Practice ICT Integration and E-Learning
Objectives of the Practice (100 words) To equip teachers with modern technologies in teaching and make them adaptable to engage next generation learners. To help students in their regular academic activities by providing them tutorials which students can use at their convenience. To train students on competitive exams in online mode which will help them for higher education and job opportunities. To engage students in flipped learning, so that classroom hours can be utilized for advanced discussion on the topics. To help slow learners to learn at their pace at the comfort of their home. The context (150 words) Technology enhanced learning is gaining much importance in higher education sector. Many universities are moving to online education as this mode provides not only easily accessible education but also affordable education. The use of ICT in education sector is gaining importance in our country too. Students who by any chance miss their regular classes, can use the recorded sessions and other study materials if ICT methods are adopted. Most of the entrance examinations to universities, JAM and NET exams are conducted online. Students of our college, majority of who come from rural areas face difficulties during such exams as they are not familiar to such technologies. Proper training for online exams will surely enhance their chances to be successful in such entrance examinations. The Practice (400 words) ICT team was formed under IQAC in the year 2017 to spearhead the ICT activities. College has installed moodle LMS and teachers are using it extensively to deliver course contents, online internal examinations and training for competitive examinations. Construction of the video recording facility was completed in the previous academic year with all state-of-the-art facilities. Major practices done in the present academic year are 1. Online screening test: As per the decision of Academic council dated 22 July 2019 a screening test to be conducted to classify students in to advanced, medium and slow learners. Moodle LMS was used to conduct the screening test. All first year UG students were enrolled in to LMS along with their class teachers. The tests were conducted as per the scheduled time table. Results were downloaded, analyzed and students were classified to advanced, medium and slow learners. 2. Online audit courses: The audit course for the first semester UG Students - Environmental Science was conducted as a Massive Open Online Course. The course contents were prepared by the Department of Geology Environmental Science in association with IQAC and

were deployed in moodle LMS. Students made use of these tutorials and exams were conducted in the computer labs. Finally, the results were sent to Pareeksha Bhavan for further processing. 3. Christ opencourseware: Academic council approved the suggestion from IQAC to establish an E-learning portal through which College can share the benefits of online education to community.

The online portal Christ OpenCourseWare was established with the help of industrial partners. The platform has four quadrants a) Video tutorials b) Lecture notes c) Practice questions and d) Facility to chat with the course facilitator. 4. Infrastructure for ICT: Following items were added to ICT infrastructure - a) Tablets- Twenty tablets were purchased to conduct online examinations as the computer labs were busy with regular practical hours. a) Lightboard- an inhouse developed Lightboard was installed in video recording room. Teachers can record their lectures facing the camera and can use the board to write the lecture points. b) Teleprompter- to help teachers in recording of video tutorials. c) Started a YouTube channel Christopencourseware to upload video tutorials for the benefit whole student community. Appointed a full-time videographer/editor to help teachers in creating video tutorials.

Evidence of success (200 words) Sixty percentage of teachers started using moodle LMS and other ICT resources. The online screening test was extremely useful to access the learning levels of first year students. Two audit courses, Environmental Science and Disaster Management were completed as MOOC. Six courses were uploaded in Christ OpenCourseWare. Teachers uploaded 124 video tutorials in Christ OpenCourseWare youtube channel. Students were excited with the new mode of teaching and examination. Problems encountered and Resources Required (150 words) Infrastructure facilities like computer labs and internet connectivity should be increased. Some teachers were reluctant to adapt with the new technology. Students who were deprived of gadgets faced difficulties in accessing the moodle LMS. Number of computers in the labs should be increased and students are to be allowed to use their smart phones in the classes. Notes (Optional) (150 words) Policy level decisions should be made to popularize the use of ICT in college campus. More teachers should be given training on using ICT tools. Best Practice -2 Title of the Practice Earth for all: Environmental

consciousness to students Objectives of the Practice (100 words) To inculcate a sustainable lifestyle to students. To reduce the carbon footprint of the College. To introduce environmental consciousness in aspects of Teaching and Learning. The context (150 words) Even though College is on the fore front of Environmental conservation many of the students lack proper orientation on waste segregation and treatment. Ever changing climate in the region has resulted in droughts as well as unprecedented storms. Energy demand of the institution is rising and there should be measures to cope up with the demand. The Practice (400 words) All VIP's who visit College for seminars, workshops or other functions are requested to plant trees in the college premises. Students become aware of the importance of forestation. Under the "Entae Maavu" Programme the students and teachers of Biodiversity Club develop mango saplings and distribute to other colleges and schools. Biodiversity Club and Botany Department maintains 20 cents, as "Santhistal" where the rare endangered and threatened plants are planted and maintained. Star vanam (Nakshathravanam) is maintained -a joint venture of Bhoomithrasena and Botany Department Poly-house farming by Biodiversity Club and NSS units of our college creates the awareness on biopharming and respect to farmers. NSS units started the "PENDRIVE" in which they collect the plastic body of used pens. Such pens are recycled by adding new refills and selling at low cost. The Environmental Science Department sensitizes the students by preparing logos and slogans. Separate cans are arranged to separate organic waste. Solar panels are installed and the excess energy is given to KSEB under the on-grid scheme. Rain water harvesting is implemented with a capacity of 25,000 liter. Check dams are made in College garden and premises to help rainwater seep in to groundwater. Evidence of success (200 words) General environmental awareness has been increased. College

Under the "Entae Maavu" Programme the students and teachers of Biodiversity Club develop mango saplings and distribute to other colleges and schools. Biodiversity Club and Botany Department maintains 20 cents, as "Santhistal" where the rare endangered and threatened plants are planted and maintained. Star vanam (Nakshathravanam) is maintained -a joint venture of Bhoomithrasena and Botany Department Poly-house farming by Biodiversity Club and NSS units of our college creates the awareness on biopharming and respect to farmers. NSS units started the "PENDRIVE" in which they collect the plastic body of used pens. Such pens are recycled by adding new refills and selling at low cost. The Environmental Science Department sensitizes the students by preparing logos and slogans. Separate cans are arranged to separate organic waste. Solar panels are installed and the excess energy is given to KSEB under the on-grid scheme. Rain water harvesting is implemented with a capacity of 25,000 liter. Check dams are made in College garden and premises to help rainwater seep in to groundwater. Evidence of success (200 words) General environmental awareness has been increased. College

campus has become cleaner. Ground water level in the surrounding areas increased. Problems encountered and Resources Required (150 words) Food waste are dumped in the college garden. The plastic carry bags are scattered. Notes (Optional) (150 words)

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Christ Extracurricular (Sports and Club activities) The vision of Christ College is to "Mould an enlightened generation by developing the potential of individuals through quality higher education and moral value inculcation". Overall wellbeing will be achieved if a student can achieve physical, intellectual, social and moral standards. The performance of our alumni and the positions achieved by them exemplifies the quality of higher education in Christ College. College is keen to impart moral values into the lives of students. College achieves this by giving a) quality value education through 'Jeevith Prabha', b) opportunities to students to take part in sports activities and there by achieve physical wellbeing c) opportunities to take part in extracurricular activities which builds human values, environmental consciousness and inclusiveness. Jeevith Prabha 'Jeevith Prabha' the motto of Christ College reflects the holistic approach on education, the institution is trying to impart to its students. Teachers are given freedom to select topics of their choices after discussion with Principal and Jeevith Prabha coordinator (He / She may be the coordinator of CSA). Sports activities College has provided excellent facilities for sports and games which in turn creates an atmosphere of physical fitness for the students. Our facilities include 400 meters athletic stadium, Football field, Basketball courts (4), Volley Ball Courts (4), Badminton court (2), Tennis Court (1), Weight training halls, and Gymnasium (5) to name a few. In the year 514 students participated in University events and we have 50 College teams. Separate coaches and trainers are appointed for each event to give professional training. College achieved three sports awards this year a. Kerala State Award for performance in sports among Affiliated Colleges b. Kerala State Award for Best Sports student- Nibin Baiju c. Kerala State Award for Best Sports teacher in College level- Fr. Joy P T. Club activities and Social Work The college has Twenty one students club to enhance their overall development which is Students Union, Students IQAC, NCC, NSS, Catholic Students Association, Women's Development Club, Thavanish, Bahuswara (Disability club), Christ College Readers Club, Christ College Cycling Club, Entrepreneurship Development Club, Biodiversity Club, Bhoomithrasena, Quiz Club, Film Club, Fine Arts Association, and Spic-Macay. Students gain interpersonal communication skills, leadership skills, and concern towards the marginalized through the club activities. Starting from blood donation to stem cell donation, Environmental consciousness to literacy programs, our students are getting excellent training to become the best citizens of India. The relentless efforts of our teachers and students have made the college an icon in the local community where the deprived approach for support. The special program Savishkara organized by the club Thavanish requires special mention. For the last three years, this program exhibits the talents of mentally disabled students of the surrounding special schools. The programme is accoladed by Irinjalakuda Municipality. Students are encouraged to participate in this program which develops the qualities like compassion, empathy, and leadership. These opportunities for extracurricular activities are distinctive of Christ College which truly targets the vision of the College

8.Future Plans of Actions for Next Academic Year

Curricular aspects - (a) Peer Learning groups and mentoring. Feedback from parents indicated the need for personal attention to students. New methods introduced like Peer Learning Groups and Advanced mentoring should be propagated more intensively. (b) Implementation of Outcome-Based Education (OBE) The OBE should be integrated into the academic system. The outcome calculations and OBE manual to be completed in the next academic year. (c) Value added foundation courses Value-added foundations courses to be developed for UG and PG students. These courses should be attended by all students which should address the student attributes of students of Christ College. (d) MoU with foreign universities The college has been in discussion with HEIs outside the country for partnership in developing and sharing curriculum. MoU was materialized this year with the University of Zululand. More agreements are to be made in the area of Research. (e) Online courses College is now a chapter of NPTEL. Measures to be taken so that at least one student will enroll in one NPTEL course next year. There should be opportunities for students to explore other inline education vendors like EdX and Coursera. Teaching Learning and Evaluation- (a) The institution education online portal Christopencourseware was materialized this year. Forty percent of the courses are to be converted to blended courses from next year. (b) The Peer Learning Group system of teaching to be implemented in all batches. (c) As part of experiential learning all UG students should be provided with opportunities for internships. (d) The Question bank system to be implemented to PG courses in the next year. Research and Innovations- (a) Department of Commerce and Department of Mathematics to be converted to research centers. (b) The Christ College research fund to be made available to eligible faculties of self-financing departments. (c) More number of institution research awards to promote research. (d) It was decided to take measures like industrial visits by faculty and inviting industrial experts to college to strengthen Academy-Industry partnerships. (e) To curtail plagiarism there should be a policy and software should be made available in the next academic year. Infrastructure and Learning Resources-(a) (a) Open gymnasium to be established in College to help all students and staff. (b) Library software to be completely upgraded to KOHA. (c) E- repository to be made either using DSpace or greenstone software. (d) The wifi internet capacity to be upgraded to 100 MBPS. Student Support and Progression-(a) A one-week induction program- Dheeksharamb as per direction from UGC will be started from next academic year onwards. (b) Strengthen alumni relationships. Governance Leadership and Management- (a) The Office Procedure manual to be completed in the next year. (b) In the next year the Administrative Office of the College will be subjected to ISO certification. Institutional Values and Best Practices (a) The plan to establish a butterfly park near Botany Department is also included for next year. (b) New audio recording lab (DAISY- production) in library

Method: Online feedback system has been developed to collect the feedback except from parents. Feedback from parents were collected offline during the PTA meeting held two times a year. Feedbacks were collected anonymously to reveal real responses. They were analyzed using Microsoft excel through statistical tools.

Analysis and Utilization:

A. Feedback from students.

Two types of feedback were collected from students. 1) Feedback from students on teacher's curriculum was collected towards the end of every semester. The feedback collected through online Knowledge Pro system were consolidated in department level and also in college level. The individual results were handed over to teachers by Principal in personal meeting and the shortcomings were discussed. The consolidated result of the Department is handed over to Head of the Department. The consolidated college result was discussed in the Teachers meeting.

2) Feedback from students on College facilities and academic atmosphere (Student Satisfaction Survey). This feedback was collected from outgoing students (sixth semester UG and fourth semester PG) during the end of their academic year. Suggestions regarding syllabus, infrastructure, canteen, computer labs were discussed in BoS and Academic Council meetings respectively.

B. Feedback from teachers

Feedback from teachers was collected at the end of academic year. Anonymous collection was used to reveal the real feedback. Feedback from employers

Feedback from employers were collected in the year end of the academic year. **Feedback from alumni** Alumni feedback was collected from alumni after one year of their graduation. The report was also presented in the meeting of Career Guidance Placement Cell.

C. Feedback from parents

The questionnaire for parents were prepared in Malayalam and was collected during the PTA meeting. The feedback report was presented in the staff meeting and in Discipline committee meeting.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Christ College is committed towards providing need-based support services to students with an aim of keeping them motivated and equipped to pursue both academic and personal goals.

The mentoring policy ensures that all students of Christ College have the opportunity to access assistance through a personal and professional mentor-mentee relationship.

The mentor is a faculty member who meets the mentee on a regular basis, and provides support and guidance to identify and enhance the strengths of the mentee, enabling them to manage academic and personal challenges.

In the beginning of the academic year Head of the Department appoints a faculty as Chief mentor (Class teacher).

Each student in Christ College will have a Chief mentor (Class teacher) and mentor. The roles of Chief mentor and mentor are clearly defined.

Duties of Chief mentor (Class teacher)

1. Class teacher is the primary point of contact for a student who wants to know about the procedures in the College. Class teacher should be kind, impartial and supportive to students.
2. He / she should be helpful for the student to clear his/her doubts regarding exam registration and other daily activities.
3. Class teacher should provide the syllabus of the program and important dates of internal & external exam dates at the beginning of each semester.

4. Class teacher should maintain the class teacher ship record (Green Card) properly filled with student details including a) Marks of Plus two/ Degree b) Education of parents c) Extracurricular activity d) Marks on internal exams e) Financial background f) Contact details of parents/guardians g) Grade card of semester exams. All information should be kept confidential and should be revealed only under necessary situations
5. Information regarding Exam registration, Fee payment, Dates of internal exams and external exams should be communicated to students within the stipulated time as advised by Principal and Controller of Examinations.
6. Class teacher should maintain close contact with other subject teachers. He / She should help in arranging substitution classes if any teacher is on emergency.
7. In case of any misconduct from a student, class teacher should inform parent/guardian with the consent from HoD and Principal.
8. Class teacher should give effective leadership to the class during intramural competitions.
9. It is the responsibility of Class teacher to maintain a record of leave availed by a student of his/her class.
10. During election to Students Parliament, Class teacher should be the First polling officer and should discharge his duties impartially.
11. Class teacher should have close contact with the mentors of his class and should provide details from green card if necessary.
12. Information's regarding Certificate courses, Open courses, Placement & Higher education opportunities should be communicated to students and should motivate students to take part in such activities.

13. Class teacher is responsible for Parent - Teachers evaluation meeting of every year and should inform the progress of students to parent/guardian. Class teacher is free to conduct more of such meetings with prior permission from HoD & Principal.

14. General discipline of the class should be maintained by Class teacher. All serious matter should be handed over to Discipline committee / Principal through HoD.

1. Christ College understands the role of a higher education institution in moulding citizens of future, by providing individual attention to their continuous growth.

2. The student care policy will enable students to adjust with the new surroundings as well as to achieve their ambitions, by receiving continuous support from teachers as Class teachers and mentors.

3. HoD/Course Coordinator assigns a teacher as Class teacher in the beginning of the academic year with proper instructions and guidelines.

4. Internal Quality Assurance Cell conducts screening test for fresh students to identify their skill levels and are classified as Fast, Medium and Slow learners.

5. Class teacher then groups students in to Peer Learning Groups (PLG) by mixing equal number of fast, medium and slow learners. The maximum number of students in a PLG should not be more than eight.

6. HoD in consultation with Class teacher assigns mentors for each PLG. A maximum of two PLG will be assigned to a mentor.

7. For Postgraduate students, Class teacher will have the additional role of mentor.

RESPONSIBILITIES

1. HoD / Course coordinator assigns Class teacher and mentor to students.

2. Class teacher is responsible to discharge his duties as per the guidelines.
3. Internal Quality Assurance cell is responsible to conduct the screening test and classify students as fast, medium and slow learners.
4. Mentor is responsible for his duties as per the guidelines

13. Class teacher is responsible for Parent - Teachers evaluation meeting of every year and should inform the progress of students to parent/guardian. Class teacher is free to conduct more of such meetings with prior permission from HoD & Principal.
14. General discipline of the class should be maintained by Class teacher. All serious matter should be handed over to Discipline committee / Principal through HoD.

2. GUIDELINES TO MENTORS

1. Mentor should offer guidance and support to mentees which will enable them to tackle the daily hurdles in academics as well as in social life.
2. Mentor should meet mentee at least three times in a semester
3. During the meeting mentor should actively listen mentee's views and reflect back. Give constructive and positive suggestions to strengthen the mentee.
4. All matters discussed in the mentor-mentee meeting should be kept confidential. Meeting date and time may be recorded, but other matters should be recorded only if agreed by both parties.
5. Mentor should be aware of students' background and aspirations. A personal relationship may be created and mentor will know students' strengths and weaknesses. Mentor may advice mentee to attend programs like certificate courses, training programs for placement and competitive exams.
6. Mentor should be in close contact with Class teacher and should handover the mentor -mentee meeting details to Class teacher, if mentor is relieved from duties.

3. GUIDELINES TO IQAC ON SCREENING TEST

1. IQAC should conduct a screening test to all first-year students to check their skill levels.
2. The screening test should comprise questions to access the knowledge on core subject and
 1. Communicative English. Test should also consist of questions on psychometrics.

2. Students to be classified as fast, medium and slow learners and the results to be send to Class teacher.

DOCUMENT CONTROL

1. Class teacher should be the custodian of green card (Class teacher ship record), and copy of student's grade card.

2. Mentor should keep record of minutes of mentor-mentee meeting.

Christ College is committed towards providing need-based support services to students with an aim of keeping them motivated and equipped to pursue both academic and personal goals. There is an efficient and well-structured mentoring system in the Institution which assures that every student receives necessary support and guidance. A Policy was also formulated that describes the responsibilities of mentors. The mentoring policy ensures that all students of Christ College have the opportunity to access assistance through a personal and professional mentor-mentee relationship. The mentor is a faculty member who meets the mentee on a regular basis, and provides support and guidance to identify and enhance the strengths of the mentee, enabling them to manage academic and personal challenges.

Mentor- Mentee policy

PURPOSE

The Student care policy is to establish a framework and guidelines to provide individual care and support to Christ College students

SCOPE

This policy applies to Principal, HoDs/Course coordinators, IQAC, Class teachers, Mentors and students of Christ college.

POLICY STATEMENT

1. Christ College understands the role of a higher education institution in moulding citizens of future, by providing individual attention to their continuous growth.
2. The student care policy will enable students to adjust with the new surroundings as well as to achieve their ambitions, by receiving continuous support from teachers as Class teachers and mentors.
3. HoD/Course Coordinator assigns a teacher as Class teacher in the beginning of the academic year with proper instructions and guidelines.
4. Internal Quality Assurance Cell conducts screening test for fresh students to identify their skill levels and are classified as Fast, Medium and Slow learners.
5. Class teacher then groups students in to Peer Learning Groups (PLG) by mixing equal number of fast, medium and slow learners. The maximum number of students in a PLG should not be more than eight.
6. HoD in consultation with Class teacher assigns mentors for each PLG. A maximum of two PLG will be assigned to a mentor.
7. For Postgraduate students, Class teacher will have the additional role of mentor.

RESPONSIBILITIES

1. HoD / Course coordinator assigns Class teacher and mentor to students.
2. Class teacher is responsible to discharge his duties as per the guidelines.

3. Internal Quality Assurance cell is responsible to conduct the screening test and classify students as fast, medium and slow learners.
4. Mentor is responsible for his duties as per the guidelines

GUIDELINES & PROCEDURES

GUIDELINES TO CLASS TEACHERS

1. Class teacher is the primary point of contact for a student who wants to know about the procedures in the College. Class teacher should be kind, impartial and supportive to students.
2. He / she should be helpful for the student to clear his/her doubts regarding exam registration and other daily activities.
3. Class teacher should provide the syllabus of the program and important dates of internal & external exam dates at the beginning of each semester.
4. Class teacher should maintain the class teacher ship record (Green Card) properly filled with student details including a) Marks of Plus two/ Degree b) Education of parents c) Extracurricular activity d) Marks on internal exams e) Financial background f) Contact details of parents/guardians g) Grade card of semester exams. All information should be kept confidential and should be revealed only under necessary situations
5. Information regarding Exam registration, Fee payment, Dates of internal exams and external exams should be communicated to students within the stipulated time as advised by Principal and Controller of Examinations.
6. Class teacher should maintain close contact with other subject teachers. He / She should help in arranging substitution classes if any teacher is on emergency.

7. In case of any misconduct from a student, class teacher should inform parent/guardian with the consent from HoD and Principal.
8. Class teacher should give effective leadership to the class during intramural competitions.
9. It is the responsibility of Class teacher to maintain a record of leave availed by a student of his/her class.
10. During election to Students Parliament, Class teacher should be the First polling officer and should discharge his duties impartially.
11. Class teacher should have close contact with the mentors of his class and should provide details from green card if necessary.
12. Information's regarding Certificate courses, Open courses, Placement & Higher education opportunities should be communicated to students and should motivate students to take part in such activities.

5.3.2

Christ College have vibrant student councils which gives efficient leadership to students to involve in the matters of college. They work shoulder to management and staff creating a conducive atmosphere. Their suggestions are given maximum consideration during the decision-making process regarding daily affairs, examinations, sports and cultural activities.

In Christ College we have two prominent bodies through which students are involving the administrative and academic activities.

A. Students Council and

B. B. Students IQAC (SIQAC)

Students Council (Union):

Representatives from each class are selected via election to the College Parliament. Main activities of Students council in the year 2019-20 are

1. As a tribute to the teachers, the Christ College union hosted "AADHARNIYAM" on 5th of September 2019 from 11:00 am – 12:00 pm. Student's corner was the venue for gathering. Sports and cultural activities like Dubsplash, musical chair, vadam vali and throw ball competitions were the highlights.
2. With regard to Gandhi Jayanti a 3-day Online Quiz contest was conducted from October 2 2019 to October 4 2019 in the Christ College IQAC Instagram page.
3. With regard to Children Day celebration an online Children Portrait Competition was conducted for our students in the Samatva Student Union Instagram Page. The winners were announced on 16/11/19.
4. Samatva student's union celebrated children's day with differently abled children of Pratheeksha Bhavan on 14/11/2019. Class representatives and teachers shared joy of the day with the inmates by cake cutting.
5. In order to enhance the interactive and presentation skills of the students a RJ hunt was conducted

in the college in collaboration with Club FM 94.3. RJ Vineeth and Sri. Manoj Kammath of Club FM conducted the hunt.

6. The arts festival of Christ College 2019 -2020 was given the name "CHAMAYAM". Almost all the events of Zonal competitions were conducted.
7. Celebrating the social, economic, cultural and political achievement of women, International women's day was conducted on March 8,2020. The programme was inaugurated by Aparna Sarakumar, respected Police officer.

Students IQAC (SIQAC):

The students wing of IQAC is a vibrant group of students who work closely with IQAC. Feedback and suggestions from SIQAC are the main driving force in implementing Student centric Quality initiatives of the institution. By being members of SIQAC they get a chance to be part of decision making. The primary aim of SIQAC is to develop a culture of responsibility and involvement in the activities of the institution and take part in decision making process and disseminate the instructions from IQAC to student community. Main activities of SIQAC in the year 2019-20 are

- 1) Members of Students IQAC arranged help desks during College admission, NPTEL registration and Student login registration. SIQAC members were given required information and training to be the volunteers in helpdesk
- 2) Members of students IQAC prepared audio books and edited in Obi software. Which was contributed to National Sugamya Pusthakalaya
- 3) Monthly news collected from students and consolidated to video format with the help of technical staff.

5.4.1.

Christ College Irinjalakuda Alumni Association (previously OSA) has been functioning in this college from 1960. Association is founded with a view to establish contact with the Alumni and building up in them a sense of belonging to the Alma Mater.

Alumni association is a registered charitable trust **(Reg. No. 138/IV/19) since September 5th 2019**. Alumni association play a significant role in contributing scholarships to deserving students. It conducts various programs which include alumni lectures, cultural programs, sports competitions etc.

The affairs of the association are managed by an executive committee consisting of the president, the Vice president, the secretary, the Joint Secretary, the treasurer and thirty-one committee members. Membership fee is Rs. 200/- and Patron membership fee Rs. 5000. The general body of the association meets on 2nd Saturday, March every year at 10.30 AM in the college auditorium.

Vision

- To be a vital partner in the success of Christ college through the significant engagement of Alumni.
- To act as a forum for alumni engagement by assisting alumni in benefitting from meaningful connections with the college and for the college to be enriched by those relationships.

Mission

- To foster, maintain and support a mutually beneficial relationship between alumni and Christ college community.

6.1.1 - Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The organization framework of Christ college is capable of handling not only the daily chores but also the unprecedented incidents. Apart from Manager and Principal of the College the Core team of College consists of three Vice Principals, two Deans, Controller of Examination and IQAC Coordinator. Important matters pertaining to Academics and Administration are first discussed in the core committee meeting and then proceed to College Council, Council of Heads of the departments and IQAC meeting. Sub committees are formed in such meetings and are entrusted with freedom and necessary resources to perform. Many times, feedbacks and suggestions from students are also included thus they are also included in the participative management.

Practice 1:

Formation of CCRCPC (Christ College Research and Consultancy Promotion Council) and Implementation of CCRSF (Christ College Research Seed Fund)

- An umbrella body to oversee the research and consultancy activities of the College was identified in the meetings of Research guides with Principal.
- After discussion in Academic Council of the college, College IQAC was given charge to set the guidelines.
- It was also decided to establish seed money to the budding researchers under the name Christ College Seed Fund.
- The policies and guidelines were formulated, discussed in the Core Committee meeting and reformulated.

- The reformulated policy for CCRCPC and CCRSF were established in the Governing Council meeting.
- Proposals were invited for the Seed money. The committee of CCRCPC scrutinized the proposals and seed money was distributed.

Practice 2:

Online Education portal – Christ OpenCourseWare

- Online education was identified as a need of the hour in the IQAC meeting. The ICT team of the IQAC was asked to study the matter in detail.
- IQAC conducted a survey among students through the Students IQAC and it was identified that flipped classrooms were a best option.
- IQAC proposed to start an education portal incorporating suggestions from students and drafted the guidelines for Christ OpenCourseWare.
- The policy and guidelines were resolved in the Academic Council of the College. It was also decided to get financial support from the Corporates.
- The education portal was established, and the audit course for UG First semester Environmental Science was offered in the flipped model.
- The successful model was discussed in the staff meeting and it was decided to offer more courses online through Christ OpenCourseWare.

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Curriculum development

- Choice Based Credit Semester System (CBCSS) is implemented in the Programmes.
- Feedback from alumni, employers and teachers were incorporated in the syllabus revision meetings of respective Board of studies.
- Nine more certificate courses were started. The curriculum for these courses were discussed with industry experts in Board of studies and was approved in the Academic council of the college.
- Manual for Outcome Based Education was developed.

Teaching and Learning

- Screening test comprising of Core level proficiency, English proficiency and Logical and Numerical ability was conducted to assess the learning levels of students. Based on these tests students were divided to slow, medium and advanced learners.
- Peer Learning Group method was introduced successfully for 2019 admission and 2018 admission students.
- Three workshops were conducted in the academic year to equip teachers for ICT enabled teaching. Moodle LMS introduced to teachers.
- Teachers' diary (handbook) is provided for teachers to plan the academic sessions, record daily works and store the details of attendance and internal marks of students.
- Teachers are instructed to inform their leave at the earliest to arrange alternate classes.

- Comprehensive Result analysis were done statistically in which a) weak students were identified, b) courses which require special attention were identified and c) results of classes were screened.
- Department level meetings and PTA's were conducted to review the results.

Examination and evaluation

- Academic Calendar and Examination schedule was prepared in the beginning of the year and was informed to all students and staff through college web portal, College hand book and Notice board.
- All examination processes including exam registration, hall ticket generation, revaluation was managed online through ERP-Knowledge Pro.
- Centralized evaluation camps were conducted for impartial evaluation which also resulted in early announcement of results.
- Question bank system was introduced. The question bank also has the additional feature of Outcome based education.
- Internal and External mark entry, Grade calculations, consolidated absentee statement were done through the ERP software Knowledge Pro.
- New module introduced in ERP for generation of consolidated internal grade sheet.
- To safe guard the secrecy of examination processes, Internal and External question papers, Exam answer sheets were printed and arranged in Pareeksha Bhavan.

Research and Development

- Completed construction of Zoology Research block.
- Christ College Research and Consultancy Promotion Council (CCRCPC) was constituted to spearhead and monitor all the research and consultancy activities in the College.

- To promote research culture among young faculties, Christ College Research Seed Fund (CCRSF) was instituted and research funds were distributed.
- Best research paper awards were distributed to student and faculty.
- Christ research fellowship was awarded to research scholar.
- Research topics of research scholars were presented in the Research Advisory Council for the approval.

Library, ICT, Physical Infrastructure and Instrumentation

- Smart card system to monitor the entry and issue of library cards is functioning well in the Library.
- The library ERP software Bookmagic is used for Library Management
- Library blogsite was started to share additional information to students and public. Previous end semester question bank can be assessed through the blogsite.
- ICT enabled teaching was enhanced through moodle learning management system.
- Online Education portal Christ OpenCourseWare was established incorporating four quadrant system of MOOC.
- Course contents of the audit course – Environmental Science was distributed through Christ OpenCourseWare and exams were conducted through moodle LMS.
- Course modules were distributed through Youtube channel Christ OpenCourseWare.

Human resource management

- Well defined policy of the college ensures appointment of qualified and enthusiastic personnel to the College.
- New appointments are conducted as per Government regulations.

- IQAC conducted two-day orientation program for newly appointed teachers.
- Guidelines were prepared by IQAC for the training of newly appointed teachers.
- Teachers who attend FDPs and refresher courses are provided with registration fee and Travelling Allowance.
- Self-appraisal system was implemented and teachers met college Manager and Principal for reviewing their progress.

Admission of students

- College admission is online conducted through ERP software- Knowledge Pro.
- Admission Brochure is prepared well ahead of admission, displayed in College website and circulated through social media.
- Helpdesks are arranged in college library to assist prospective students in filling up the application form and online fee payment.
- Trial allotments are conducted which gives students a chance to change their options if required.
- Intimations via sms and email are sent to students and parents.
- Fair admission process is conducted centrally in the auditorium in adherence with Government restrictions.
- Separate admission counter and helpdesk are provided for students with disabilities.

Industry interaction / collaboration

- Experts from industry are included in Academic council, Governing council, IQAC and Board of Studies.
- Engaged in MoU with industries- The Strategist, Nexus, TCS and Star Innovation.
- College has linkages with neighboring industries KSE Ltd, KLF Nirmal and KPL Shudhi for collaboration in the field of infrastructure, training and development.

6.2.2 – Implementation of e-governance in areas of operations:

Planning and Development

- The academic calendar is prepared and e copies are sent to all stakeholders.
- The venue booking and registration is done using new e-module in website, which helps the even distribution of resources. The system helps to book the resources on first come first serve basis, along with approval/rejection by authorities.
- Feedback from students, employers and teachers are collected online and analysis done using Microsoft Excel.

Administration

- Most of the internal correspondences are communicated through email.
- For complaint registration on computers and accessories, e-ticket system has been introduced.
- Computers in the Administrative Office are connected through LAN which enables easy file transfer and sharing.

7.1.5 – Human Values and Professional Ethics

Title	Date of Publication	Follow up
Jeevith Prabha (Human Values)- Value Education	01-06-2019	<p>Values)- Value Education</p> <p>01/06/2018 Jeevith Prabha the motto of Christ College reflects the holistic approach on education, the institution is trying to impart to its students. Teachers are given the freedom to select topics of their choice after discussion with the Principal and Jeevith Prabha coordinator (He / She may be the coordinator of CSA). The committee including Principal, Vice Principal and Jeevith Prabha coordinator scrutinizes and select the topics. The coordinator then arranges the classes. The schedule is arranged so that a student will receive all the topics during his/her tenure in the campus. The classes are conducted every Thursday first hour. A student receives ten sessions a year. Exams are conducted at the end of the academic year and prizes are distributed to rank holders in a common function.</p>

7.1.7

Initiatives taken by the institution to make the campus eco-friendly (at least five)

Increasing Environmental consciousness

- Biodiversity club, Bhoomithrasena and Enviro Club of the college conducted six awareness programs including invited lectures, documentary screening & debate and Quiz competition to create awareness among students.
- Butterfly garden and Miyawaki forest established in campus which increased the concern towards nature.

Water conservation

- One tank of 10,000 litre capacity were installed this year for rain water harvesting.
- Water conservation bunds are maintained in the college garden which increases the ground water level by seeping rain water.

Energy Reduction

- College purchased 5 star inverted AC to reduce the power consumption with an energy saving of 3000kWh.
- Total 250 FT lamps were replaced with LED in the year 2019-20 creating an energy saving of 2800 kWh.
- Biogas plant is working in Boys Hostel with production of 5kg of LPG every day.
- On grid solar panels of 150 kW is working in full capacity which reduced the energy bill considerably.

Plastic free campus

- Use of plastic is banned in the camps. NSS Units are making paper pens using old pen bodies. NSS units are also actively making paper bags and gave training to school students in making them.

Paperless Office

- As part of moving towards paperless office, the internal examination marks, examination schedule are made online to prevent use of paper.
