The offstage events of the arts festival were conducted on 23rd November 2019. Total 30 events were held for the competition. The department of Chemistry followed by the Physics department topped Chamayam Offstage competition 2019.

Chamayam Onstage competitions were held for three days from December 10- 12 2019. The Arts Fest had 10 stages for the competitions with all the events and more of zonal competitions. The 10 stages were named after Navarasa and Fr. Jose Thekkan CMI, the previous Principal of Christ College. The main stage was dedicated to our late sister Ancy who suffered an untimely death. The last stage was Fr. Jose Thekkan memorial stage in the Zoology Hall. Not a competition arena but a chill out spot with live performances from the performers outside. Chamayam on stage was a celebration that Christ had not seen before. A total of 56 events were conducted adding the other 30 off stage events, Chamayam had 86 events.

The inauguration of the event was done by the Principal and Sri. Sooraj Santhosh, the famous playback singer as the chief guest. The Department of Physics won the Chamayam overall trophy with a huge lead and also third time in a row. The first runner up was the Chemistry Department followed by the Psychology Department. Chamayam as the name suggests added colour to Christ. The college was in a celebratory mood a week before the Chamayam and did justice to the hard work and spirit of the students. The event was widely acclaimed and congratulated by all.
