

ARTCAFE
DRAWING ANG PAINTING CLUB
Report

Artcafe was officially inaugurated by August 2019. The club was mainly aimed to encourage and uplift the talents of students like drawing, painting, crafts etc. The tagline was adopted by the student coordinators was 'color your dreams'. Though it is a drawing and painting club, our club provide opportunities to all kind of artistic talents. Artcafe is a platform where art is blended with ability and opportunity to grow up.

Vision& Mission

To enrich the artistic culture of students by providing sufficient opportunities

To support the creative nature of young talents and to work for the development of the society

To add more color to their dreams and vision

Activities 2020- 2021

As the pandemic situation was not over and the movements were restricted our activities were switched to online mode. We have utilised the possibilities of online mode at its maximum to interact with the coordinators and students and to encourage them. To make the students active and challenging was a great task for the club during the pandemic as students were already fed up with the online programmes. So we have decided to come out from the conventional activities and programmes to make everyone enjoy and active.

1. Sadako Crane Challenge-

in connection with Hiroshima- Nagasaki Day observance we have organised a different programme, making as much as paper cranes. The challenge was accepted by many students and was a success.
