OUTREACH SOCIAL WORK SURVEY

RIVER RESEARCH CENTRE THRISSUR

SURVEY OF RIVER RESEARCH CENTRE

DATE : 10th to 15th November, 2020
TIME : 9.00 AM TO 5.00 PM

NAME OF PROGRAMME : Survey on River Management Action Plans

ORGANISED BY : River Research Centre in Collaboration with Dept. of Social Wor, Christ College (Autonomous), Irinjalakuda

PARTICIPATED BY : MSW 2019 Admn Students

VENUE OF THE PROGRAMME: River Research Centre, Chalakudy

NO. OF PARTICIPANTS 3

MSW 2019 Admn actively participated in the survey conducted by River Research Centre based on River Management Action Plans. Through the survey the trainee were able to provide services like flood mapping, research studies, implementation of governments and private agencies projects, development of projects, sand monitoring etc. River Research Centre is a non government organisation that has a history of 25 years in the name of Chalakudy Puzha Samrakshana Samithi in the initial period. The agency was founded by the late agricultural scientist by education and environmentalist Mrs. Latha Anantha. The agency was registered as a non government organization in 2006. River Research Centre focuses on issues relating with the water resources, its management and rejuvenation mainly about Chalakudy River and its basin areas. The head of the River Research Centre was at Ollur. The agency covers different areas and concentrates more on river conservation, forest ecology, advocacy, environmental education etc.

MEANS OF VERIFICATION:

ROLE AS TRAINEE: Surveyors were able to develop skills in communicating, fact finding, fund raising, budgeting, report writing, community project formulation, management, appraisal and evaluation.

EVALUATION: It was a great opportunity for the social work trainees to be a part of survey conducted by River Research Centre. Trainees could prepare a detailed report on Anakayam Project, prepare need assessment report, literature review etc. **.ENCLOSURE:-PHOTOS:-**

VACCINATION DRIVE AND OTHER ACTIVITIES OF WE SAFE

Description of project

The 1st year MSW students of Christ College(Autonomous), Irinjalakuda organised a project “We Safe”. The project by Social work department, is a helping hand to withstand against the Covid-19 pandemic situation. It is a project started during the second phase of Covid-19 i.e., 25 May 2021 and its timeline is three months.

The project aimed at implementing among the vulnerable groups of Irinjalakuda Municipality, Thrissur District. The project is to create awareness about taking vaccination during the pandemic situation and to help in registering in the online vaccination portal. There are around 660 vulnerable groups in Irinjalakuda Municipality. Most of them are in ward no.41.

The project aimed at starting a Vaccine Registration Centre in Ward No.35(Sugandhi Anganwadi), ICDS Anganawadi Porathisherry, which would provide vaccine registration for all, supporting students with sufficient study materials and Pain & Palliative Care for the needed ones.
