Dear Students,

We welcome each one of you to the College of Social work, Nirmala Niketan for the commencement of academic year 2020-21. We want to reiterate that our college is affiliated to University of Mumbai with autonomous status from 2019. The college is uniquely situated in south Mumbai with a small campus. We are known for a diverse cultural ambience with the capacity to provide space for learning for students from both Urban and Rural backgrounds. We are different because we believe in making a difference. Academic rigor comprising of strict attendance in all academic activities with maintenance of proper time schedule and active involvement of dedicated teaching and non-teaching staff is the hallmark of our success

This academic year is different from other years. We are unable to start the college with physical presence due to Covid 19 Situation and the government circular. However, we endeavor to continue providing the rich learning opportunities using virtual technology till we are permitted to start college physically. Your active presence and cooperation is necessary for venturing into this new academic era. All the students are therefore requested to make prior arrangements for mobile with WIFI/data pack to facilitate the e learning process through virtual classes. The college uses Microsoft Teams as the online platform for teaching and learning. Please download the app.

The academic year for MSW-I will start from 2nd September with four days of student's induction program (SIP). The regular classes will start from 7th September 2020. The timetable for the regular classes will also be sent to you shortly. The schedule with virtual links for SIP will be sent to your email id and What's app group.

Dr. Vaijayanta Anand

Associate Professor and First Year Class Teacher

College of Social Work (Autonomous)

Nirmala Niketan, Mumbai
