INTERNSHIP CERTIFICATE

This is to certify that Mrs.Aksha E.R, second year M.S.W student of Christ College, Irinjalakkuda (specialized in Medical and psychiatry) has completed her 20 days internship in our institution from 14-12-2020 to 9-1-2021 as part of her course requirement. She involved in the activities provided from our institution.

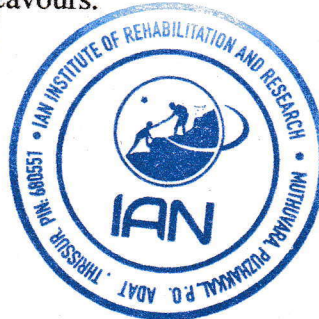

The activities included need assessment survey, case history taking, focus group discussion and office works under the supervision of our social work department. I consider she is a very talented and energetic person who can creatively adapt to any given situation.

IAN Institute of Rehabilitation and Research is one of the most comprehensive, multi-speciality hospitals that is dedicated to the rehabilitation facilities for children with special needs. Equipped with more than a decade of unbeatable experience, IIRR has a panel of expert doctors and therapists who provide patient-centred care in physical, mental, and neurological rehabilitation of an individual. Children affected with Cerebral Palsy, Autism, Mental retardation, Down syndrome, and multiple disabilities such as Orthopaedic Impairment, Visual Impairment including Blindness, Hearing Impairment including Deafness, Speech or Language Impairment, Serious Emotional Disability, Autism Spectrum Disorders, Traumatic Brain Injury or other neurological and genetical disorders are offered state-of-the-art facilities for their rehabilitation.

Her performance during the field work was very good and she was sincere diligent in work. She possess good knowledge and skill in her profession.

We wish all success in her future endeavours.
