INTERNSHIP CERTIFICATE

This is to certify that **Ms. Sajana K S**, second year MSW student at Christ College (Autonomous), Irinjalakuda (Specialised in rural and urban community development) did internship with River Research Centre (RRC) from 12-12-2020 to 10-01-2021.

River Research Centre is a non-profit Public Charitable and Scientific Trust that works for conservation of rivers and forests and environment in India. Initiated in 2002, RRC has been working to create a space for studies on rivers, interactions with river basin people, river dependent departments, local self governments, government and other concerned entities towards participatory and decentralised river basin conservation, rejuvenation and management. RRC has also been engaged in working towards improving the existing forest and environmental governance system in Kerala and at the Central Government level.

During the internship, Ms. Sajana interacted with the RRC team and learned about RRC activities around Chalakudypuzha River. She did a literature review on river rejuvenation initiatives across the world. She also helped in coordinating a webinar on Anakkayam SHP. She also utilised this opportunity to learn about the activities of RRC through interactions with the team. She was very sincere and committed to her tasks.
