DIARY - TEACHING STAFF 2020-21

Name SIJI CL

Designation ASST PROFESSOR (ADHOC)

Department COMMERCE SELF

FOREWORD

Dear Teachers,

Modern education encompasses the entire arena of human development. Our mission to impart quality education along with inculcation of moral values has increased our responsibilities. Due to our busy academic schedule, we seldom plan and record academic events. Following a teaching plan and adhering to the examination calendar will improve the academic performance of our students. Maintaining a systematic record of academic events will improve teacher's performance and also will help us during our performance grading. It is at this juncture that a teacher's diary becomes relevant. I hope you will make use of this diary to its full extent and make Christ College (Autonomous) a better place for our students. The fourth edition of teachers diary has incorporated most of the suggestions from you.

With love

15 July 2020
