

## A Visit to Pratheeksha Bhavan

On 20th August 2016, about 40 volunteers of Thavanish visited the special school, Pratheeksha Bhavan located near Christ College Irinjalakuda. There were 80 mentally challenged students. We helped them in cleaning the surroundings. We combed their hair, trimmed their nails and also gave them a makeover. Along with that we entertained them by making some dance moves. We celebrated the birthday of one of our volunteers by cutting a cake with these children.
