

On 5th January, 2019 – the NSS Units of Christ College organised a trip and visit to AMMA HOME, at Moodirakanni. Its an old age home at a rural hill top deep inside Chalakudy. The volunteers were involved in cleaning inside and outside the premises of the AMMA Home, our volunteers

interacted and made lots of toys using tender coconut leaves to bring back their old memories of their childhood. Then our volunteers entertained the senior citizens of the home with some songs and dance performances in which they also participated. We couldn't take photographs of our volunteers interacting with the elderly people there because taking pictures were not allowed.
