The meeting started with welcome speech by Dr. shaju K Y (chairman BoS)and inaugural address by Rev. Fr. Dr. Jolly Andrews (principal, Christ college (autonomous), Irinjalakuda.

Due to Covid-19 pandemic situation, the maximum theory classes will be taken online. It is decided to record the video classes and upload on youtube, so that the attendance can be given to an absent student, if the student watch it later at any time, according to their convenience and a short write up is submitted to the teacher concerned.

Many suggestions came for incorporating research related specialization in certificate courses. Mainly Dr. Vincent Mathew suggested to conduct basic workshop in physics to familiarise small projects to students. All the members were agreed with those suggestions.

The BoS decided to include such research specialization in value added courses to improve the practical knowledge of students. Dr. Varkey Sebastian and Prof. Bindu Cherala supported this decision.

Dr. Joe Jacob discussed the reasons to change the elective option for msc 4th sem aided, from *Communication Electronics* to *Material Science* (2020 admission onwards). BoS recommended to change the elective option from communication electronics to material science (2020 admission onwards). Joe Jacob sir also noted the importance of including programming language.

Prof. V.P. Anto also suggested a value-added course from self-financing stream to increase the research attitude of students. All the members took part in discussions.

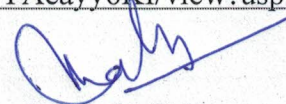

Finally, the BoS meeting ended with vote of thanks by Dr. V.P. Joseph.
