Agenda

1. Approving modification in (UC/PS) syllabus due to corona situation
2. Approving syllabus of certificate courses.
3. Approving the change in the complementary course of B. Sc Mathematics self financing course.
4. Approving the new open course 'Linear Mathematical models' for B. Sc Department of Mathematics (self-financing).

The following are the decisions of the meeting

1. Approved the modification in (U/S/PS) syllabus due to corona situation
2. Implement the certificate courses - 'Certificate course on Dynamic Mathematics using Creogebra' and 'Sage Math' from the current academic year onwards.
3. It is also approved to change the current complementary course namely 'Mathematical Economics' of B.Sc Mathematics self financing to computer science.
4. It is also decided to start a new open course 'Linear Mathematical Models' by Department of Mathematics (self financing)
