Programme No: 143

Conducted by- Thavanish

Date : 17-03-2022

Programme title – CYCLE CHALLENGE

As the result of some request, Thavanish started a Cycle challenge for providing cycles to the needy children who belongs to the financially backward family. By this challenge the volunteers enquired about the unused cycles in the surroundings and collected the same. The poster based on the challenge was circulated among the social media handles and reached the public. The cycles were collected and stored in the college. The repairing works on the cycles was done by the volunteers itself during the vacation periods. The collected cycles thereby repaired and painted in order to distribute for the needy children
