

AQAR 2021-22 3.6.3 & 3.6.4 Extension activities

Programme No: 22

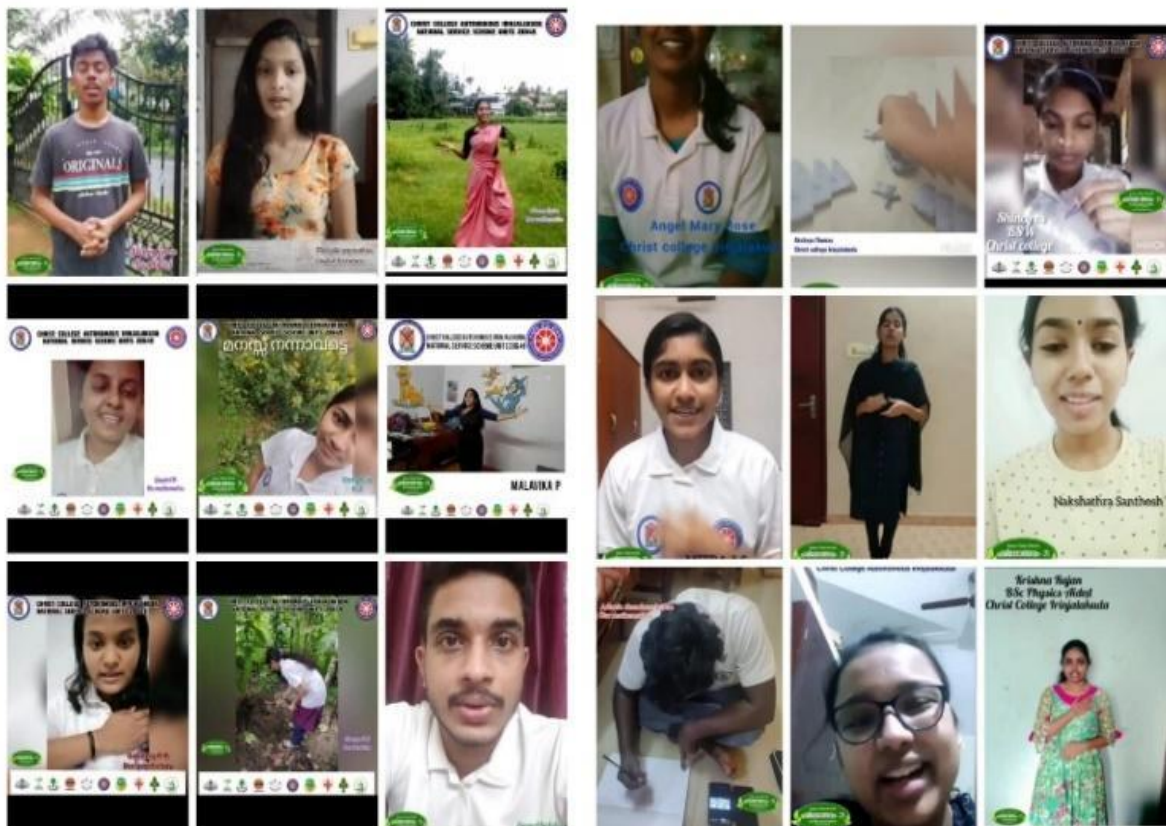

Programme Title: Nature conservation go green eco-friendly

Conducted by- NSS

Participation:136

Date: 25/07/21

On July 25th, NSS units 20 and 49 of Christ college (autonomous) Irinjalakuda conducted a one day work based on nature conservation go green eco-friendly. The volunteers were given multiple tasks like speech, dance, mono act etc. To choose from and make a video of 1 min performing any one of those tasks related to the given topic. The videos were collected to be further submitted for an intercollege competition based on nature conservation /go green eco friendly. Majority of the volunteers actively participated and the one day work was successfully completed.
