On 10th October, 2021, the National Service Scheme Units 20 & 49 of Christ College (Autonomous), Irinjalakuda, had conducted a virtual debate on the basis of gender inequality. The topic dowry was brought in to light with the amplified participation of the volunteers as well as their parents and relatives. There were different opinions and perspectives, some being mundane and others being out of the box. However, throughout the session, there was a wave against the practice of dowry system. Each participant was given a time limit of 2 minutes. Every group brought in more than three speakers. There was also a pleasant participation by the program officer Mr. Jomesh Jose, who stated his opinions eloquently. The debate started at 2:00pm continued for an hour. It was an interesting and intriguing session, which had the potential to change the attitude towards dowry system. The program was successful under the guidance and active participation of the NSS program officers, leaders and volunteers.
