Details of Activities under MoU

Introduction

EKN centre for education and research was established in 2003 to promote the noble ideals of Late. Prof. E K Narayanan, who was an eminent physics teacher at Christ College Irinjalakuda and a notable social activist who had actively involved in a number of social issues with scientific temper. Department of Physics, Christ College Irinjalakuda started in 1960 has a glorious tradition of teaching physics both in Under graduate and Post graduate levels. EKN centre and Department of Physics, Christ College Irinjalakuda through this collaboration aims to strengthen research and education outreach to student society in and around the locality.

DETAILS OF FUNCTIONAL MEMORANDUM OF UNDERSTANDING (MoU):

Activities conducted:

Under the MoU, a commemoration meeting was held in memory of Late. Prof. E K Narayanan on 9th March 2023. A quiz program was conducted on the same date for college students all over Kerala.

SPECIFIC OUTCOMES

Specific Outcomes: (What, why, Impacts)

1. The collaboration aims to strengthen research and education outreach to student society in and around the locality.
2. Faculties also got an opportunity to interact and share their knowledge to the students from other colleges.
