### Details of Activities under MoU

#### Introduction

Mary Matha Arts & Science College, Mananthavady is situated on a beautiful hilltop on the Mananthavady-Mysore Highway amidst the sprawling greenery of the Western Ghats, one of the crucial bio-diversity hot spots. The major reason for selecting this place as the site for the College was to provide a pristine pollution-free environment to the students, conducive to academic activities. Mary Matha provides an excellent and salubrious environment for the students to get the best in Wayanad with outstanding opportunities to make the most of their intellectual potentials. As a Christian Minority Institution, it endeavours to inculcate in them human values and social commitment as envisaged by Jesus Christ. It considers education not just as a search for knowledge, but as a great mission in which both the teachers and students participate in the process of developing human resources for the benefit of the society and the nation. The College seeks to instill in the students an awareness of their social rootedness and encourage them to be active agents in the construction of a just social order after its stated Motto, Vision, and Mission. Though a minority institution, the College includes

in its purview the educational aspirations of the community as a whole, irrespective of religion, caste, and social status.

### Activities conducted:

As part of a Resource Exchange program between Christ college (Autonomous) and Marymatha college, Mananthavadi, 40 students of bachelor of Computer Science and BCA Students from Christ college for a two day program on 24th March 2022, visited Marymatha college. The program was inaugurated Rev. Fr. Jibichan Chelakapallil, Associate manager, Marymatha College and presidential address by Dr. Maria Martin Joseph, Principal and Keynote address by Dr. Eldo K.J Co-ordinator & Research Guide, Dept. of Computer Science. After inauguration students got an opportunity to interact with the principal and head of the department Ms. Jisha T.E and the session was very informative.

Education is not only completed with classroom teaching but also extend to outside also, as a part of this our students got an opportunity to participate Jungle Safari and also, they visited Kuruva Island that was a wonderful experience.

### **Session on Vedic Mathematics**

As a part of resource exchange, a session on Vedic Mathematics is conducted by Mr. Binoy Joseph, Asst. Professor, Dept. Of mathematics. **Vedic Mathematics** is a collection of Methods or Sutras to solve numerical computations quickly and faster. It consists of 16 Sutras called Formulae and 13 sub-sutras called Sub Formulae, which can be applied to the solving of problems in arithmetic, algebra, geometry, calculus, conics, etc

### **Session on Flutter**

A session on Flutter was conducted by Mr. Arish, student of Marymatha college and that session was very informative and after the session quiz program is conducted and the winners were Adityan T.J and Febin Tom of Christ college.

## Closing Ceremony

The resource exchange program was successfully end with certificate distribution to all participants and the session was felicitated by Principal, HOD and coordinator of computer science department and the program.
