## Christmas celebration- CELESTE

Our college celebrated Christmas on 23rd December 2022. The College was a sight to behold, as it was beautifully embellished by decorations made by the CSA Family over the past month. The works had a really positive review from both the staff and students alike.

A department wise Carol competition was organized by CSA which was inaugurated by our beloved Principal Rev.Fr.Jolly Andrews. It was successfully conducted and cash prizes were awarded to the winners.

In connection with the Christmas celebration CSA conducted a cake drive mainly targeted at the staff. The students could also place orders and the cakes were delivered on time.

Also CSA Family,in connection with Christmas, went on a Carol visit to the nearest charity home to spread the love and joy of Christmas.
