

# ANNUAL GENDER SENSITISATION

## ACTION PLAN

2022-23

- Conduct a self-defense practical class on November last week.
- Celebrate International Women's Day with a Two-day seminar on Gender and Everyday Life
- Conduct an exhibition on 'Women and Society'.

As per the plan, we had conducted the seminar on Gender and Everyday Life. But due to some unforeseen reasons we had failed to conduct self-defense practical class and exhibition on 'Women and Society'.
