Resource Team : Mr. Francis Bastian
Topic : Basic Interview Questions & Etiquette

Expected Outcomes:

- i. Equip the students with necessary skills to excel in professional environment
- ii. Impart competitive skills to students to help them thrive in competitive recruitment processes

REPORT

The Career Guidance & Placement Cell conducted an Interview Training session on September 22nd, 2022, at the library, with an attendance of 5 students. Led by Mr. Francis Bastian, the session focused on imparting knowledge regarding Basic Interview Questions and Etiquette. The aim of the program was to equip students with fundamental interview skills essential for securing employment opportunities. Through interactive discussions, participants learned crucial techniques to handle common interview questions effectively and present themselves professionally. The session aided the students to enhance their confidence and readiness for upcoming job interviews, thereby contributing to their overall career development.
