REPORT ON FOLKLORE COMPETITION (INTERNATIONAL FOLKLORE DAY)

The celebration of International Folklore Day by the Department of Malayalam through folksong and folk drawing competitions is a wonderful initiative that showcases the rich cultural heritage and traditions of Kerala. Folklore is an integral part of any culture, serving as a window into its history, values, and way of life. Event has been hosted on 26th August 2022.

By organizing folksong competitions, the Department of Malayalam not only encourages the preservation and promotion of traditional music but also provides a platform for artists to showcase their talent and creativity. Folksongs often narrate stories of the past, celebrate local heroes, and convey the sentiments of the community.

Moreover, by giving special attention to folk traditions, the Department of Malayalam acknowledges the importance of preserving cultural heritage in today's rapidly changing world. In an era dominated by globalization and technological advancements, it is essential to recognize and celebrate the unique customs and practices that define a community's identity.
