MULTI-LINGUAL TYPING

## **MULTI-LINGUAL TYPING**

#### (VALUE ADDED CERTIFICATE COURSE)

The Multi-Lingual Typing Proficiency course is designed to equip participants with the skills and knowledge needed to effectively type in multiple languages on various devices and platforms. In an increasingly interconnected world, the ability to communicate in different languages is a valuable skill.

## **Objectives**

This course aims to enhance participants' proficiency in multi-lingual typing, catering to a diverse range of linguistic needs.

### Activity

An autobiographical narrative authored by a renowned author and faculty from a Government High School, Sindoorasmaranakal by Reetha Teacher, which reflected intense philosophical ideologies, meticulous writing and inspiring assertions from the lifetime of a dedicated teacher was converted

to a typed version by four UG students - Krishna P.S, Bindhya A B, Angel Varghese and Indulekha – students who had attended the 30-hours multilingual typing course. The students were well remunerated paving new avenues for learners to access lucrative learning domains.

#### Outcome

- Students are furnished with skill-oriented competency to enable financial independence in their academic and professional
- Participants will be well-equipped to navigate the challenges and opportunities associated with typing in multiple languages, contributing to their overall linguistic and technological proficiency.
