## DEPARTMENT OF SANSKRIT (ACADEMIC YEAR 2022-2023)

### Introduction

Student Centric Methods includes Participative and Experiential Learning process. As a part of participative methods, seminar presentation has been used. Seminar methods are an interactive and participatory form of learning that fosters active engagement among students. This approach involves a group of students, guided by a facilitator or an expert, discussing a specific topic or presenting their findings to the rest of the class. As a part of Experiential learning sloka chanting has been adopted. Experiential learning involves hands-on experiences that facilitate a deeper understanding of concepts. In the context of sloka chanting, this ancient practice has been integrated into the curriculum to provide a unique experiential learning opportunity. Sloka chanting contributes to the learning process in Cultural and Linguistic Understanding and memory enhancement.

Participative Learning	Experiential Learning
Seminar Presentation	Sloka chanting

CRITERION	II	Teaching-Learning and Evaluation
KEY INDICATOR	2.3	Teaching - Learning Process
METRIC	2.3.1	Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

### Participative Learning - Seminar Presentation

#### *Programme Objectives*

- Development of critical thinking abilities
- Fostering a culture of knowledge sharing

#### *Programme Report:*

Seminar Presentation has been done each student in the class. This presentation helps the students to improve their thinking ability and presentation skill. A part from classroom presentation invited talks has also been arranged to the students for getting the first hand information. The event has been organized on 30<sup>th</sup> August 2022. Invited talks ensure students receive current and relevant information about industry trends, technological advancements, and emerging practices. Each student improves their communication skills by presenting complex ideas in a clear and organized manner.

#### *Programme attained Outcome:*

Students can interact with invited speakers, facilitating networking and the establishment of valuable professional connections. Presenting information to peers fosters problem-solving skills as students address questions, challenges, and potential counterarguments during their presentations.

### Geotag Photo

*Presentation done by Dr.C T Francis, Associate Profosser (Retd), Chairman of Academic Committee for UG as part of Sanskrit day Celebrations*

### Experiential Learning process - Sloka chanting

#### Programme Objectives:

- Enhance language proficiency, especially in classical languages.
- Cultivate an appreciation for diverse cultures and traditions.

#### Programme Report:

The session began with an introduction to the significance of sloka chanting in cultural and spiritual traditions. Students were briefed on the objectives of the session, emphasizing the holistic benefits of this ancient practice. Carefully chosen slokas with linguistic, philosophical, and ethical significance were introduced. A brief discussion followed each sloka, exploring its cultural and philosophical context.
