# SLOW LEARNERS REPORT

Christ College, Irinjalakuda and the IQAC had taken the initiative of conducting the screening test of students. On the basis of screening test students are classified as advanced learners, medium learners and slow learners. We arranged various programs for students to cater the needs of these different learning levels.

Our department arranged various programs for improving the learning capacity of slow learners. To make the students perform well in both their academic and non-academic areas, the following activities have been conducted by the mentors of the class during this academic year.

- **PLG ACTIVITIES:**

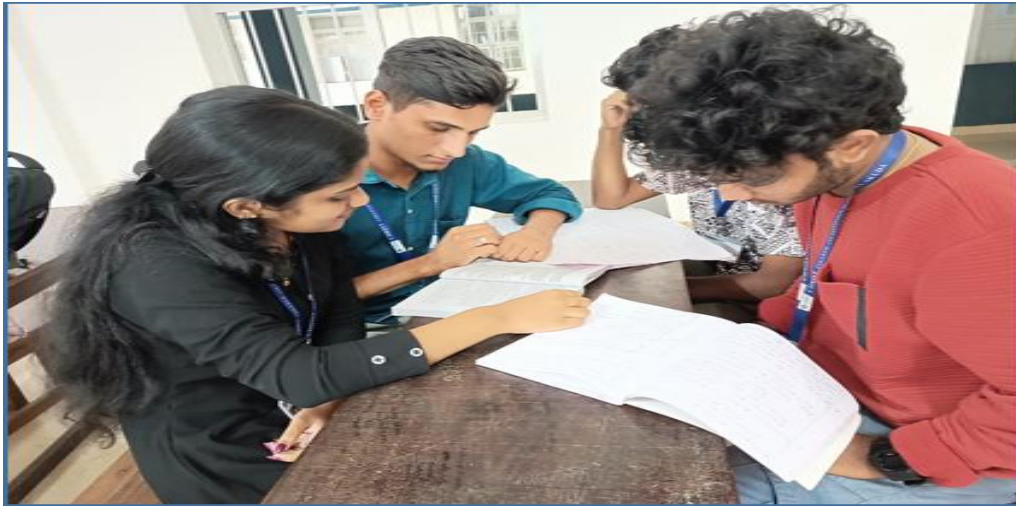

As a part of mentor-mentee program of Christ College, the groups were formed in such a way each group consists of slow learners, medium learners and fast learners. The class teacher was assigned as a role of chief mentor. The mentor-mentee meetings were very successfully conducted. The meetings helped the mentor to identify more about their students, their family backgrounds, the problems which they face both in their academic and in their personal lives and so on., The PLG activities have been conducted by the mentors of the class during this academic year for improving the slow learners are group discussion, debate, question answer session, question paper session, etc.

## Group Discussion

- **MOTIVATIONAL TALK**

Alumni Talk 'IMPACT' was conducted on the topic 'Abroad Internship experience highlighting learning and development 'where the 4 female students namely Gayathri Jayan, Gabriela Jose , Devika Sabu and Ardra A K was invited to share their experience and also to motivate the students.

- **REMEDIAL COACHING**

Our department arranged remedial coaching for all non-theoretical subjects. The students those who are weak in any subjects, the teachers are arranged special coaching for them.
