

ADVANCED LEARNERS REPORT ACTIVITIES 2022-2023

Advanced learners are identified based on their average performance in the class tests which have been conducted through google classroom. Their evaluation sheets have prepared to get the list of advanced learners. Separate online sessions have been conducted for advanced learners. Extra materials have been provided to the advanced learners for their needs and some extra academic activities have been given to them like preparation of presentation. After the publication of results of the semester it is noticed that the performance of both advanced learners has been improved.

Following Special activities are conducted for Advanced Learners:

Encouraging to participate in various symposiums like quiz, poster presentation,

- ✓ Conferences, inter institution competition etc.
- ✓ Guiding the students for Competitive Examinations.
- ✓ Guiding and encouraging to present papers in conferences/Journals
- ✓ Training programs for gaining advanced technical knowledge.
- ✓ Stimulating the research aptitude by giving them an opportunity to pursue internship/acquire hands on training on projects beyond the curriculum.
- ✓ Inspire them to get engaged in certificate/value added courses to nurture their skills on SWAYAM, NPTEL, Coursera etc.
- ✓ Motivate them to participate in group discussions, debates, elocution, quiz to develop
- ✓ Organize activities to polish their critical thinking abilities

INTERNATIONAL YOGA DAY CELEBRATION 2022

Objective: To understand the importance of yoga in daily life,

The 8th edition of International Yoga Day Celebration was organized on 21st June 2022 in Christ College Auditorium.

NATIONAL SPORTS DAY CELEBRATIONS 2022 DEPARTMENT OF B.P.E

Objective: To understand the importance of national sports day and spread the message of sports and physical activity to all.

The national sports day celebrations were started on 26th August, Friday .

The inauguration of sports carnival “Fun Fair” was performed by Dr. Jolly Andrews at 9:30AM in-front of the auditorium by cutting the ribbon.

DEPARTMENT OF CHEMISTRY (SF)

Name of the Activity	Activities for Advanced Learners	Photos
Seminar	<p>The department of chemistry (self-financing) organized a lecture series on ‘Recent advances in materials science’ on 26/08/22. The Talk was handled by Dr. Tania Francis, Assistant Professor and Head of the Department of Chemistry, St. Josephs College (Autonomous) Devagiri, Calicut on the topic: ‘Green composites for biomedical applications.’</p>	
Event Participation	<p>On 22nd October 2022, 6 students of 1st and 2nd year MSc Chemistry (Self-financing) participated in the competition ‘Interrupter’, Tathva’22 organized by NIT Calicut. The competition was conducted by the department of chemical engineering, NIT Calicut. conduct the iodine clock experiment for the competition and won the 1st and 2nd prize .</p>	

<p>Internship Programme</p>	<p>One of our students Mr. Indrajith K.B(MSc Chem 2021-2023 Batch) has carried out an internship program at Indian institute of Technology Palakkad.</p>	
<p>Industrial Visit</p>	<p>1. The department arranged an industrial visit to Vajra Rubber Products (P) Limited, Konathukunnu, Thrissur, Kerala on 30/08/22. 11 students and 2 teachers were visited the industry. The theoretical aspects, formulations of rubber products and instrumentation were the highlights of this visit.</p> <p>2. On 10th March of 2023, The 2nd semester MSc Chemistry (SF) students visited the Central Institute of Petrochemical Engineering and Technology (CIPET), Cochin, j plastics, Synthetic Rubber, Technical Textiles, Solvents, Fertilizers, Pharmaceuticals, Additives, Explosives, Adhesives & Coatings. The STIC providing highly sophisticated testing and calibration facilities, material analysis facility, R&D support, consultancy services and training programs.</p>	

<p>Certificate Course</p>	<p>The department conducted 30 hours certificate course in Basic Chemistry Software's. This course aimed at imparting skills on use of various open-source chemistry tools that are essential for any student or researcher with chemistry as a major subject. The course started on 25th January 2023. There were 14 M.Sc. 1st year students (MSc Chem 2022-2024 Batch) participated in the program and all completed the course.</p>	
<p>Career Guidance and Counselling</p>	<p>In order to gain insight into the different opportunities available for students pursuing a career in different field a mock interview was conducted for first year MSc Chemistry students (2022-2024 Batch). As a part of career clinic, Sr Ann Mariya Rose retired faculty from the department of Physics of SH College, Chalakudy was the interviewer. The interview session was started at 10 am on 15 March 2023.</p>	

DEPARTMENT OF COMMERCE

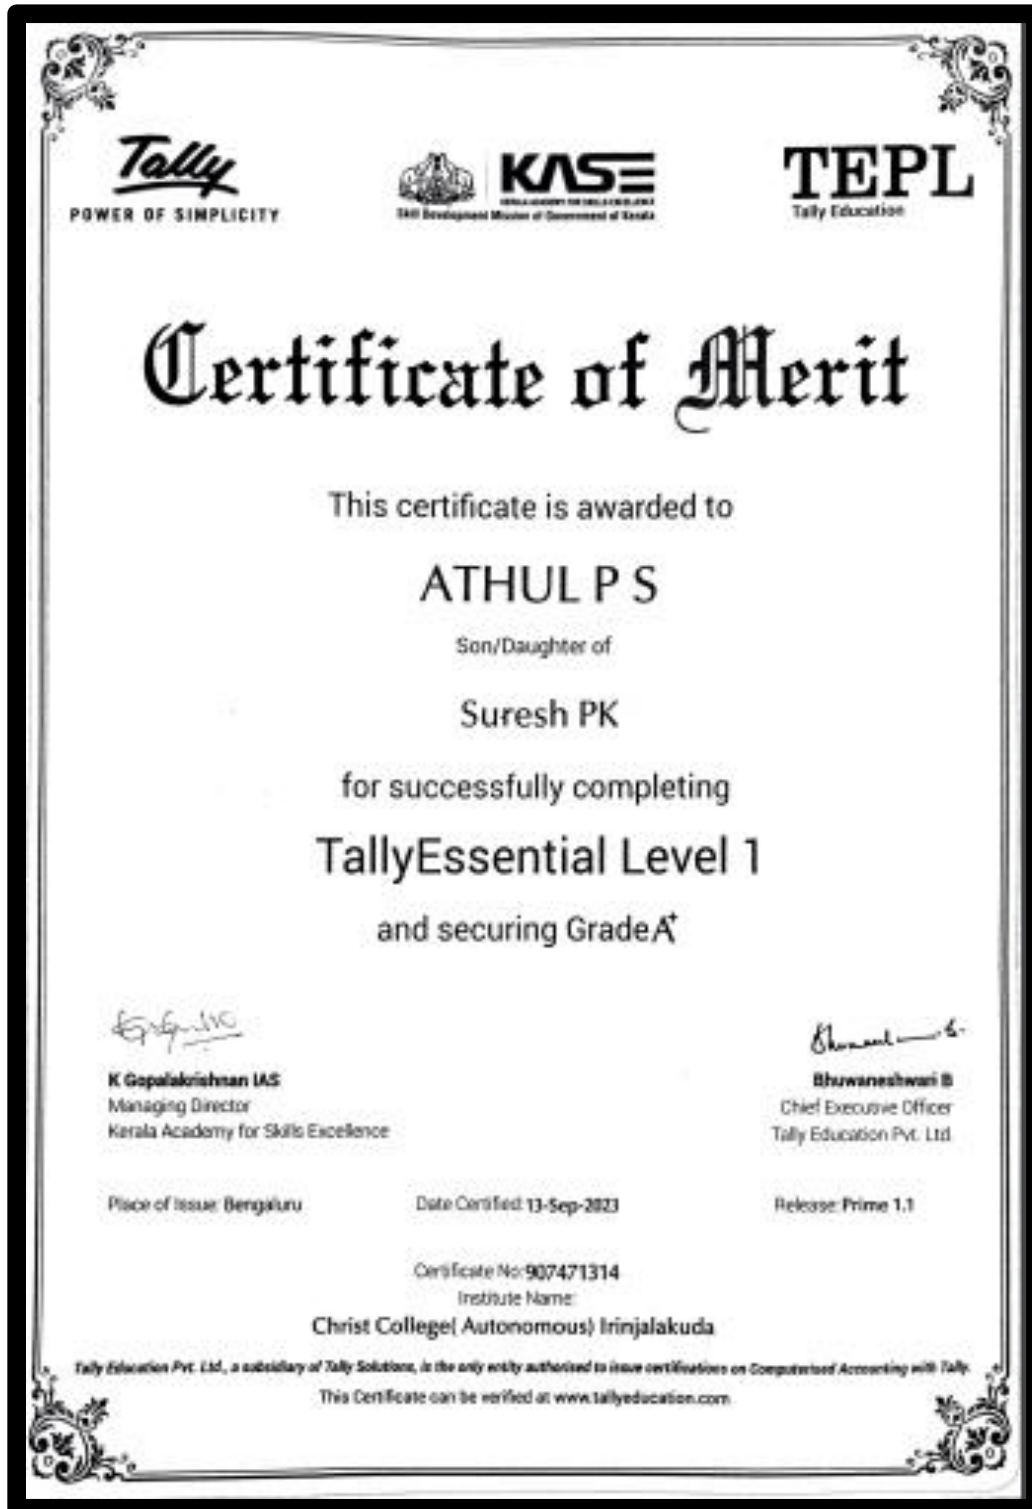

The Department of Commerce takes special efforts to develop managerial skill sets among students. The following programmes/ activities were organized.

OUTCOME: DEVELOP MANAGERIAL SKILL SETS		
Si.No	Name of activity	Activities for advanced learners
1	Encourage students' to participate in the management/ business fests at intra-collegiate level	Develop planning, organising and coordinating skills Express their ideas creatively Inculcate team spirit and class spirit among them
2	Certificate Course on Tally/ Excel	Develop the skills and knowledge required in e- filing of tax returns and prepare books of accounts
3	Internship	Internships provide opportunities to develop and enhance technical skills, soft skills, and industry-specific knowledge relevant to the field.

1. Management/ Business Fests

2. Certificate Course on Tally

3. Certificate Course on Excel

4. Internship

DEPARTMENT OF COMMERCE

PG Department of Commerce, Christ college (Autonomous), Irinjalakuda conducted following programs for advanced learners to enhance research insight in the mind of students.

Outcome: Enhance Research Insight		
Si. No	Name of Activity	Activities For Advanced Learners
1	Guidance to ASPIRE Research Scholarship	Students get Research Awards for P.G Projects from Government of Kerala. This scheme provides financial assistance to students to complete the P.G research projects.
2	Certificate Course on Data Analysis using SPSS	Certification for the students. Two students of M. Com (2021-2023), Viz, Littleflower P.J and Anjaly PD had successfully completed the training and awarded “excel associate”. Learners equip with data analysis on their own while doing their P.G project and also facilitate to prepare paper presentations & publication.
3	Internship	Skill Development 8 students from M.Com. 2021- 2022 batch successfully completed their internship in INVISOR (Internship on Accounts Payable Management)
4	Competitive Exam (UGC NET/ JRF) Coaching	Dept. offered NET Coaching to M.Com 2021-2022 batch . 21 Students participated. Malavika L is qualified for the UGC-NET exam conducted by NET for Assistant Professorship in Commerce with a percentile of 97.43.

INFLUENCE OF NAG FACTOR ON PARENT BUYING BEHAVIOUR

JISMA RAPHY, 2nd Year M.com, Department of commerce, Christ College Autonomous,
Irinjalakuda, Kerala

DR. JOSHEENA JOSE, Assistant professor, Department of commerce, Christ College
Autonomous, Irinjalakuda, Kerala

Abstract

Today children have the greatest influence on parents purchasing decisions. Nag Factor is an emerging concept for marketers to find new avenues of market and ways for tapping the potential of household markets. The nag factor is a global phenomenon, and kids are increasingly in charge of household decisions, particularly in fashionable nuclear families. As it attracts more customers, particularly among children, nag factor is regarded as one of the global marketing tactics with the quickest pace of growth. The study illustrates the perceptions of parents regarding the pester power influence or nag factor on their buying behaviour and their strategies to tackle the nagging strategies of children. With the aid of Rao soft, 286 is the suggested sample size for the study with a 95% level of confidence. Through a Google forms survey, the researcher obtained household sample data. The survey was conducted by the researcher using a sample of 286 replies from 958 families with children under the age of 18. 286 samples selected for the study. Persuasion and knowledge strategies are more used by children to persuade parents. Other strategies like rational, emotional and aggressive strategies are also used by them but not as much they use persuasion and knowledge strategies.

Keywords: Nag Factor, Pester power, Buying behaviour

B.COM PROFESSIONAL

Report on Activities for B.Com Professional Students - Academic Year 2022-23

Introduction:

The academic year 2022-23 has been marked by a comprehensive approach to enhancing the learning experience for B.Com Professional students. The focus has been on providing advanced learners with practical exposure, career guidance, and internship , industrial visit opportunities to excel in their field and secure placement opportunities.

1. Industry Visits

On July 28, 2022, the Department of Commerce organized an enriching industrial visit to the Munnar Tea Factory for the final year B.Com Professional students. The visit aimed to provide students with practical insights into the operations of a renowned tea manufacturing facility. The students were accompanied by the Head of Department, Mr. K.O. Francis, and Mrs. Sajina, a parent of one of our students.

The industrial visit to Munnar Tea Factory proved to be a valuable and memorable experience to B.Com Professional students. It provided them with practical exposure to the intricacies of tea production, aligning theory with real-world applications. The department is grateful to Mr. K.O. Francis and Mrs. Sajina for their valuable contributions

2. Internship Programs

In May 2023, our students successfully completed their internships at prominent organizations in the oil and gas sector, namely OCEAN OILFIELD INTEGRATED SOLUTIONS, Oil & Gas International FZC, and Al Neefa Contracting Company LLC. The primary objective of these internships was to provide students with valuable hands-on experience, enabling them to bridge the gap between theoretical knowledge acquired in the classroom and practical skills essential for the industry.

3. Career guidance

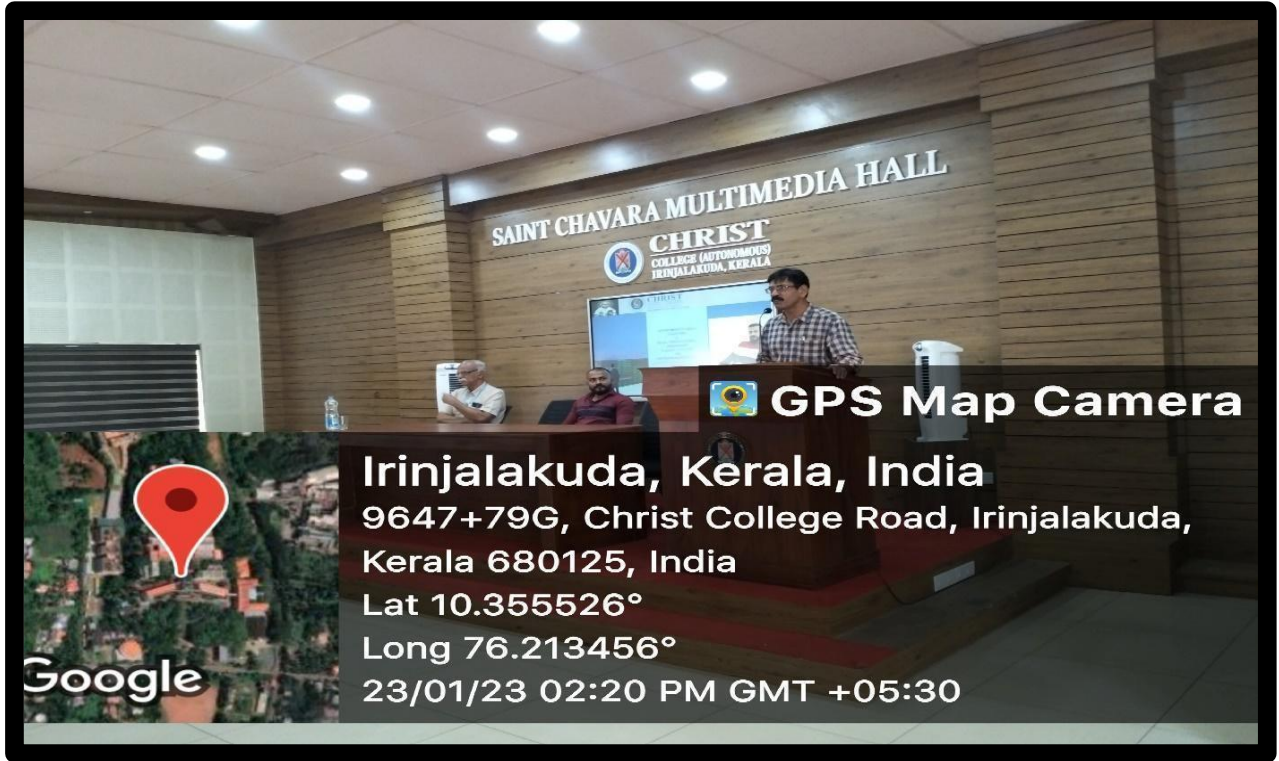

On 26th September, 2022, Monday, Department of Commerce - B. Com Professional organized an invited talk on 'Emerging opportunities in Commerce Profession' to 1st year commerce

students. Co – Ordinator of Self-Financing Programmes, Dr. T. Vivekanandhan inaugurated the function, followed by the felicitation of Assoc. Professor K. O. Francis, Co- Ordinator, B. Com Professional. The Resource Person of this talk was CA Aju P. V. He is Practicing as a Chartered Accountant and also a Visiting Faculty at various Professional Institutions. This talk helps the students to know about the various opportunities available to them after their graduation in the commerce profession. This was a valuable session and students asked their doubts to the resource person. The session ends with the vote of thanks of Ms. Siji Paul. V, Faculty, Department of B. Com Professional.

The academic year 2022-23 has witnessed a holistic approach to student development, with a focus on practical exposure and career preparedness. The industry visits, career guidance counseling, internships, and subsequent placement opportunities have collectively enhanced the overall learning experience, making B.Com Professional students well-equipped for success in their chosen fields. The success stories emerging from these initiatives underscore the efficacy of such programs in fostering the professional growth of students.

Knowledge sharing Session

Emerging opportunities in Commerce Profession

B.COM FINANCE

Our department conducted various programs for advanced level learners. To make the students perform well in both their academic and non-academic areas, the various activities have been conducted by the mentors of the class during this academic year. The various activities are industrial visits, Internships, certificate courses and Merit day.

- **INDUSTRIAL VISIT:**

We conducted the industrial visit with all batches of students in our department. The visit was conducted as part of providing students with an opportunity to engage in active learning experience outside the classroom.

- **INTERNSHIPS**

We arranged national and international internships for developing the skills of advanced learners. We arranged two certificate courses for enhancing the learning capacity of students.

- **CERTIFICATE COURSES:**

We offered certificate courses, online GST for first year students and Tally for third year students.

- **MERIT DAY**

Our department arranged Merit day as a special program for advanced learners. We insisted on endowments for all subjects.

Merit day as a special program for advanced learners 2022

DEPARTMENT OF COMPUTER SCIENCE

The term advanced learner refers to the students who can engage learning activities faster than the other students in the class and achieve high scores and make significant achievements in their life. They are more potential with their comprehension, retention, memory ,critical thinking, creativity and contextualization practices. They also may have hard working behaviors and usually achieve more than the majority of the classmates.

INTERNSHIP

CERTIFICATE COURSE CERTIFICATE

The term advanced learner in this policy refers to the students who can engage learning activities faster than the other students in the class and achieve high scores and make significant achievements in their life. These students can take up higher level learning and academic responsibilities. They can bring some new concepts, strategies, and also can take the leadership in the teaching learning activities.

NPTEL CERTIFICATE COURSE CERTIFICATE

The image shows a certificate from NPTEL Online Certification. At the top left is the NPTEL logo, a stylized flower-like emblem. To its right, the text reads "NPTEL Online Certification" in large red letters, with "(Funded by the MoE, Govt. of India)" in smaller black text below it. On the top right is a small portrait of a woman, Jismaria Paul. The main text of the certificate states: "This certificate is awarded to **JISMARIA PAUL** for successfully completing the course **Introduction to Research** with a consolidated score of **44** %". Below this is a table with two rows and three columns. The first row contains "Online Assignments", "10.29/25", and "Proctored Exam". The second row contains "34.13/75". Below the table, it says "Total number of candidates certified in this course: 1955". On the left side, there is a signature of Prof. Devendra Jalihal and the text "Prof. Devendra Jalihal". In the center, it says "Aug-Oct 2022". On the right side, there is a signature of Prof. Andrew Thangaraj and the text "Prof. Andrew Thangaraj". Below this, the text reads "VIMALA COLLEGE (AUTONOMOUS), THRISSUR" in large blue letters, followed by "NAAC Re-accredited (3rd cycle): A Grade, CGPA-3.50 on a 4-point scale" and "Thrissur-09, Kerala, India". A large blue box with the word "CERTIFICATE" in white is centered below this. At the bottom, there is a paragraph of text: "This is to certify that **Ms. Ann Mary** of **Christ College (autonomous), Irinjalakuda** presented a research paper titled, **Thai wh-question classification and generation with deep learning for Part-of-Speech tagging enhancement to natural language processing** at the Two-Day International Conference on "DEEP DIVE INTO DATA SCIENCE" organized by the Department of Computer Science, Vimala College (Autonomous), Thrissur on 23, 24 February 2023 .". At the bottom of the certificate, there are several signatures and logos, including the Vimala College logo.

DEPARTMENT OF ECONOMICS

The Department of Economics at Christ College (Autonomous), Irinjalakuda, has implemented various specialized programs and initiatives tailored to meet the needs of advanced learners enrolled in the undergraduate economics program. These initiatives aim to provide quality education, foster academic excellence, and promote holistic student development.

These initiatives include:

Name of Activity	Brief description
Crypto Currency Workshop	The department organized a workshop on Crypto Currency on 20 th July 2022, providing advanced learners with insights into emerging economic trends.
Webinar on Wealth Creation through Personal Finance Management	The Department of Economics, in collaboration with the Association of Mutual Funds in India (AMFI), organized a highly insightful National Webinar on "Wealth Creation through Personal Finance Management on 28 th July 2022.
Invited Lectures and Alumni Talk Series	The Department of Economics organized an enriching Alumni Lecture Series on 'Kerala Economy and Its Emerging Issues.' The lecture series aimed to give students valuable insights into Kerala's current economic scenario and challenges.
Student Exhibitions	The students of the Department of Economics, Christ College (Autonomous) Irinjalakuda students, organized an Economics exhibition named ECOTHON on the 13 th and 14 th of October 2022—the exhibition aimed to promote awareness about various economic concepts and their applications in real-world scenarios
Specialized career guidance sessions	Specialized career guidance sessions were conducted to assist advanced learners in making informed decisions about their academic and professional trajectories.

**Placements,
Internships, and
Industrial Visits**

Partnerships with organizations such as Kerala Institute of Local Administration (KILA), KLF, ELM institute and State Planning Board Kerala etc provide advanced learners with opportunities for placements, internships, and real-world exposure.

Webinar on Wealth Creation through Personal Finance Management

The Department of Economics at Christ College (Autonomous), Irinjalakuda, demonstrates a steadfast commitment to nurturing advanced learners within its postgraduate program. Through a range of meticulously designed programs and initiatives, the department aims to provide a comprehensive educational experience that fosters academic excellence and holistic student development.

These initiatives include:

Sl. No.	Name of Activity	Brief description
	Seminars, Workshops, and Exhibitions	An economics exhibition named ECOTHON was organized on the 13 th and 14 th of October 2022—the exhibition aimed to promote awareness about various economic concepts and their applications in real-world scenarios.
	Invited Lectures and Alumni Talk Series:	The Department of Economics brings distinguished speakers and alumni to provide real-world perspectives on economic theories, enhancing networking and mentorship opportunities. The Department organized an enriching Alumni Lecture Series on 'Kerala Economy and Its Emerging Issues.
	Publications and Research	Encouraging advanced learners to publish papers in reputed journals, fostering a research-oriented mindset and contributing to scholarly discourse
	NET/JRF Coaching	The Department of Economics organized an enriching Alumni Lecture Series on 'Kerala Economy and Its Emerging Issues. More than 20 students have qualified UGC NET in the last five years.

Through these initiatives, the department strives to equip advanced learners with the necessary skills and knowledge for successful careers and contributions to the broader academic community in economics. This report underscores the department's ongoing commitment to excellence in education and student empowerment.

LIBRARY SCIENCE

Summary report on B.Lib.I.Sc Programme for Advanced Learners

The objectives of peer group learning through methods like group discussion, seminar presentation, field visits, and remedial coaching include fostering collaboration, critical thinking, communication skills, hands-on experience, and personalized support for learning and growth among peers. These methods aim to create dynamic learning environments where students actively engage with course material, each other, and real-world applications to deepen their understanding and enhance their skills

Activities	Details of Activities
Question Answer session	Revision based on the previous question paper.
Seminar presentation	Seminar presentations are conducted based on library observation and study., and particular topics are given by concerned teachers.
Group discussion	Conducted group discussions
Library Observation and Study	Sent both groups for library observation and study at nearby libraries.
Career coaching and interview training	Conducted career clinic programme and training in group discussion and communication with
Library cataloging practice	Send to the library to collect information for bibliography creation. Conducted catalog preparation based on the above information as a group activity.
Software training	Training in different library software like Koha – integrated library management programme, Greenstone- digital library programme, and Dspace – institution repository programme.
Certificate course	Conducted certificate course in library automation and digital archiving

LIBRARY CATALOGING PRACTICE

DEPARTMENT OF MATHEMATICS

The Department of Mathematics organised various programmes for advanced learners. The main objective was to enhance the learning ability of the students and direct them towards research career.

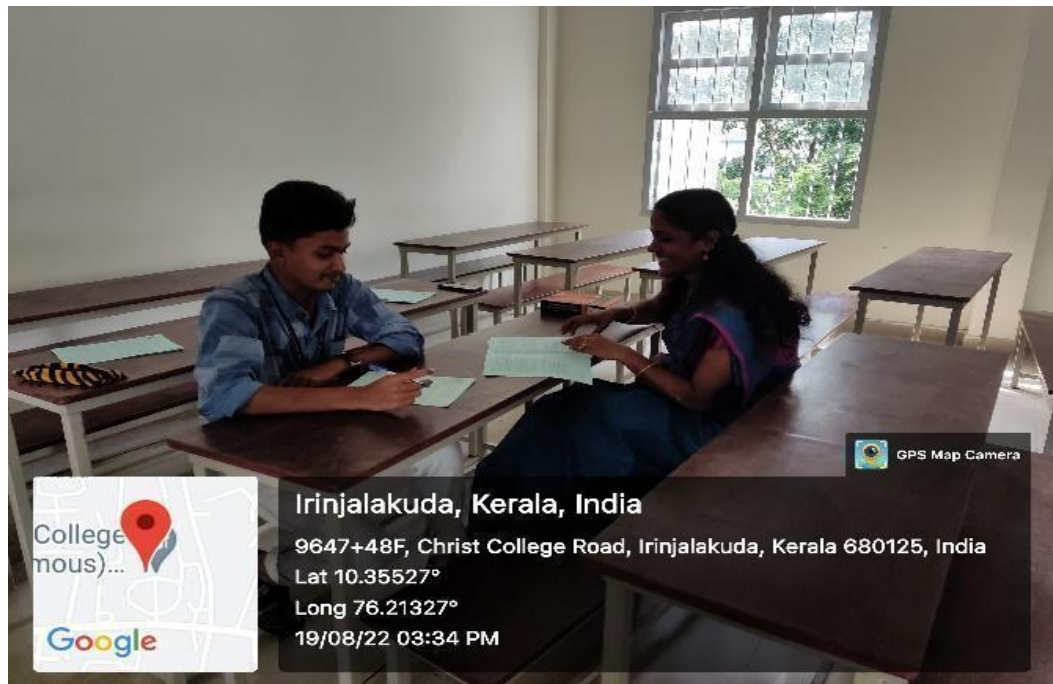

Sl.No.	Name of the activity	Activity for Slow Learners
1	Group Discussion	Under the guidance of the class teacher and the corresponding mentors, each peer group has given a topic to discuss after discussion students submit a report based on the topic.
2	JAM orientation	An orientation session was organised for fifth semester students
3	Quiz	Students were motivated to participate various quiz programs and competitions
4	Mentor-mentee meetings	Mentor-mentee meetings were conducted to support the students
