

DEPARTMENT OF COMMERCE- FINANCE

On the basis of screening test students are classified as advanced learners, medium learners and slow learners. We arranged various programs for students to cater the needs of these different learning levels.

To make the students perform well in both their academic and non-academic areas, the following activities have been conducted by the mentors of the class during this academic year:

- **INDUSTRIAL VISIT:**

We conducted the industrial visit with all batches of students in our department. The visit was conducted as part of providing students with an opportunity to engage in active learning experience outside the classroom.

- **INTERNSHIPS:**

We arranged national and international internships for developing the skills of advanced learners. The students have done their internships in Double Horse Ltd for national level internship and Brothers steel industry for international internship programme for advanced learners.
