

MOTIVATIONAL TALKS- SAMPLE REPORTS (2022-23)

Motivational talks hold a significant place in the learning journey of slow learners. These individuals, who may face challenges in grasping concepts or maintaining focus, often require an additional layer of encouragement to unlock their potential. A well-organized motivational talk can serve as a catalyst, inspiring these learners to believe in themselves, discover their unique strengths, and persevere through obstacles. Several departments have taken initiatives and successfully conducted motivational talks enhancing their learning experiences and outcomes.
