Govt. of India (DST)

Dear Sir/Madam,

The Department of Mathematics, Christ College (Autonomous), Irinjalakuda, Thrissur in association with KSCSTE, The Govt. of Kerala and DST Govt. of India is organising the National Science Day in recognition of the legendary Indian Scientist Dr. C. V. Raman on 27th February 2019. Our event includes an invited talk on the topic **Relevance of Mathematics** and a training programme in **Geogebra**. We invite your esteemed presence and participation in the program.

With warm regards,

Dr. MATHEW PAUL UKKEN

Principal
Christ College Irinjalakuda

Ms. TINTUMOL SUNNY

H.O.D & Co-ordinator
Department of Mathematics

ABOUT THE COLLEGE

Christ College (Autonomous), Irinjalakuda is a pioneer education institution in Kerala with a mission of moulding intellectually competent citizens committed to the society by developing the potentials of individuals through quality higher education and moral value inculcation. The institution run by the profound CMI congregation, started off in 1956 with affiliation to University of Calicut. The college was elevated to the status of autonomous in 2014 and reaccredited by NAAC with 'A' Grade in 2016. The college offers 24 undergraduate programs, 16 post graduate programmes and 6 research programmes.

The college is located at Irinjalakuda which is a semi urban area of Thrissur district. Thrissur district is the cultural capital of Kerala where as Irinjalakuda is the heart of cultural heritage.

ABOUT THE DEPARTMENT

The Department of Mathematics started off at the very inception of the college, offering complementary courses. It was elevated to undergraduate department in 1964 and post graduate department in 2012. The joint efforts of the faculty and students of the Department of Mathematics during the last several years have resulted in remarkable achievements. We frequently conduct national level seminars and quiz competitions.

ABOUT THE KSCSTE

Kerala State Council for Science, Technology and Environment (KSCSTE) is an autonomous body constituted by the Government of Kerala in November 2002 to encourage and promote science and technology related activities in Kerala State. Prior to the establishment of KSCSTE, the body responsible for carrying out similar work was the State Committee for Science, Technology and Environment (STEC) established in 1972. KSCSTE is running seven R & D centers in different parts of Kerala. It has several programmes like Coastal Zone Management, Science Popularization and Women Scientists Cell to promote its objectives.

The Council coordinates the state level activities in connection with the observances of the National Science Day, National Technology Day and World Environment Day. It has instituted three awards; Vasudev Award, Science Literature Award and Young Scientist Award which are presented annually. Every year KSCSTE also organizes the Kerala Science Congress and Children's Science Congress.

ABOUT THE NSD

National Science Day (NSD) is celebrated all over India with great enthusiasm every year in order to commemorate the achievements by the Indian Scientist C V Raman. Every year it is celebrated with a variety of important themes. The theme of NSD 2019 is "**Communicating Science for all**".

Some of the objectives behind the NSD celebrations are

- To spread the message of importance of science and its applications in the daily life of people.
- Invent and implement new technologies for the development of science.
- For human welfare also it is necessary to understand and display efforts and achievements in the field of science.
- To provide an opportunity for people who want to develop his or her career in the field of science.
- To encourage people and popularise Science and Technology.
