

Invited talks on
**Multivariate Nonlinear Statistical Processes
Monitoring Methods: A Review**

Leech Labeling (Graph Theory)

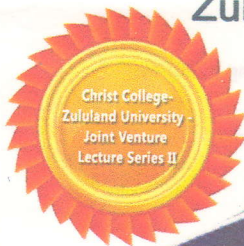

&

Workshop on
LATEX for Technical Documentation

Organized by
**Department of Mathematics & Statistics,
Christ College (Autonomous), Irinjalakuda**

in Association with

**Department of Mathematics,
Zululand University, Durban.**

**On Friday, 27th December 2019
Venue: New Seminar Hall**

Christ College-Zululand University - Joint Venture Lecture Series II Christ College-Zululand University - Joint Venture Lecture Series II Christ College-

The Department of Mathematics & Statistics, Christ College (Autonomous) organizes an invited talk on "Multivariate Nonlinear Statistical Processes Monitoring Methods: A review" in association with the Department of Mathematics, Zululand University on Friday, 27th December 2019. A workshop focused on comprehensive topic discussions on LATEX concepts for effective documentation has been arranged for postgraduate students and researchers in various disciplines. The session will include introduction to various features of LATEX with some advanced topics that will help to write the academic material as well as research papers that are suitable for publication in reputed journals. A motivational session for aspirants of research in the branch of graph theory and inauguration of activities of students' academic body of statistics will also be held on the same day. We cordially invite researchers, faculty members and post graduate students to take part in the programme and request to make it a grand success.

Programme

Inaugural Session

Theme I : Multivariate Nonlinear Statistical Processes Monitoring Methods:
A review

Talk by : Dr. Syamala Krishnan Nair, Department of Mathematics,
Zululand University

Theme II: LATEX for Technical Documentation
Rev. Dr. Mariyamma K D (Sr. Josephine David),
Department of Statistics, Christ College, Irinjalakuda

Parallel Sessions

Theme III : Official Statistical System in India
(Inaugural Address of Statistics Association)
Mr. Joseph ISS, Director, Survey Design and Research Division,
National Statistical Office, New Delhi

Theme IV : Leech Labeling (Graph Theory)
Dr. Aparna Lakshmanan - Asst. Prof., Dept. of Mathematics,
St. Xaviers College, Aluva

Contact : Dr. Davis Antony Mundassery - 9400548166
Dr. Shinto K G - 9744873979
