Climate Change (DoECC),
Thiruvananthapuram,**

Venue: Seminar Hall,
Christ College, Irinjalakuda

2020
JANUARY

31

10am - 12pm

ABOUT THE COLLEGE

Christ College was started in the year 1956 by the Devamatha province of the Carmelites of Mary Immaculate (CMI). Christ College has been affiliated to University of Calicut and re-accredited by NAAC with 'A' grade and achieved autonomous status in 2015. The College is in the forefront of all activities to protect the environment and conserve an eco-friendly campus. The College has been honoured by awarding the Kerala State Energy Conservation Award in 2011, Haritha Campus Award instituted by Kerala Biodiversity Board for the year 2011-12, "Green Campus Award" for the year 2014 instituted by University of Calicut, Best Biodiversity Club Award by the Kerala State Biodiversity Board for the year 2014 and the Malayala Manorama Palathully Puraskaram for the year 2016 for the keen interest in campus greening and conservation of energy.

ABOUT THE PROGRAMME

The main objective of this programme is to create awareness to recognise the importance of wildlife for their aesthetic, scientific and ecological values. This in turn makes people aware of the larger issues facing the survival of wildlife in the area, which then prompts support for more widespread conservation efforts in the future.

Programme

Inaugural session : 09.30 - 10.00

Technical session 1 : 10.00 – 12.00

'Wildlife - Photography and Conservation': Prabhu P M,
Assistant Conservator of Forest, Social Forestry, Thrissur.
