Sir/Madam,

The Department of English & History, Christ College (Autonomous), Irinjalakuda is organizing an international seminar on Liberal Arts on 17th February, 2020. The key resource persons are Prof. Kathryn Myers from UCONN, Dr. Pradosh K. Mishra and Prof Suresh Nair from BHU, Varanasi. Every art has its own distinctive expressions, principles, and unique aesthetic experiences that avow all human endeavors and one's own creative impulses. Art brings out the symbiosis between the conscious and unconscious part of our being, the fact and fancy which bestows the surreal. The seminar focuses on imparting the latest developments and changes taking place in the field of art and will enable the participants to develop an aesthetic sense towards the liberal art. The seminar also intends to throw open a platform for students, teachers and research scholars to interact and exchange their ideas with the experts in the respective areas. It also aims to ponder over the influence of eastern paintings and art on western ideas and concepts of paintings.
