DEPARTMENT OF HINDI

Introduction

The Department of Hindi has always strived to provide a holistic and immersive learning experience for its students. In alignment with this goal, we have implemented various experiential learning activities that go beyond traditional classroom instruction. Experiential learning is an educational approach where students learn by doing and reflecting on their experiences, thus deepening their understanding and engagement with the subject matter. It helps to improve their language skills and talents. This experiential learning process engaged them in current scenario which will enhance their confidence and self esteem and knowledge.
