A workshop on information retrieval using E-resources

Date: 19th July,2023

A workshop on information retrieval using e-resources was given by the Librarian of Christ College, Rev Fr Sibi Francis CMI,on 19th July,2023 from 1.30pm to 3pm.The lecture was delivered to final year B.Com students. The presentation explained how to retrieve informations from e-resources , different cites to collect informations for project and so on.It has provided an opportunity for the students to learn and discuss their queries related to retrieval and collection of informations for the project. delivered by Dr. Xavier Joseph, the Vice Principal of the College who expressed his thoughts on Artificial Intelligence. The stage was then left to the Resource person Dr. Jasimuddin who had well verse knowledge on the application of Artificial Intelligence in Research. His comprehensive class covered many areas in Artificial Intelligence which began by identifying a problem and concluded by report writing. He introduced more than 20 AI tools which are in need for

the scholars. The one-day AI workshop was a resounding success, achieving its goal of providing a comprehensive overview of AI concepts and applications. Participants left with a deeper understanding of AI, practical skills, and a network of contacts within the AI community. The event served as a stepping stone for individuals eager to explore and contribute to the rapidly evolving field of Artificial Intelligence. Dr.Tom Cherian, the coordinator of the program gave away the vote of thanks.
