## **IQAC Initiative 1**

# **INTEGRATING INDIAN KNOWLEDGE SYSTEMS (IKS) INTO THE ACADEMIC FRAMEWORK**

The Internal Quality Assurance Cell (IQAC) at Christ College focuses on integrating Indian Knowledge Systems (IKS) into the academic framework, promoting a holistic education that draws on India's rich cultural and intellectual heritage. The IKS initiative connects students with traditional knowledge, aligning it with modern educational needs.

### **Key components:**

- **Workshops and seminars** that explore the relevance of Sanskrit in diverse fields like linguistics, mathematics, Ayurveda, astronomy, and philosophy.
- **Research and documentation** of indigenous practices related to sustainability and well-being. The initiative also encourages collaborative research, promoting interdisciplinary study and application of traditional knowledge to modern challenges.
- **Cultural celebrations** showcasing Indian art, music, and literature further foster cultural pride and awareness.

**Workshops and seminars on the relevance of Sanskrit in diverse fields.**

**Activity 1. One day National Conference on Management Principles in Sanskrit**

DATE : 28.02.2024

VENUE: FR.JOSE THEKKAN SEMINAR HALL

Post Graduate and Research Department of Commerce and Department of Sanskrit of Christ College Irinjalakkuda on 28th February 2024. The one-day national conference on Management Principles in Sanskrit focused on exploring the ancient Indian knowledge systems (IKS) and their relevance in contemporary management practices. Organized with the objective of bridging ancient wisdom with modern management theories, the conference brought together scholars, practitioners, and students.

**Outcomes of the Conference:** Interdisciplinary Collaboration Recommendations were made for further interdisciplinary research linking Sanskrit studies with management sciences.
