# Digital Valuation Training

9<sup>th</sup> January, 2024

## Internal Quality Assurance Cell

---

Internal Quality Assurance Cell (IQAC) of Christ College (Autonomous), Irinjalakuda organized a training program on “Digital Valuation” on 9<sup>th</sup> January, 2024 at 1:00pm at Fr. Dismas Multimedia Lab. The program begins with a silent prayer. Dr. Shinto K G, IQAC Coordinator welcomed everyone for the program. Dr. Tom Cheriyan, Controller of Examinations, Dr. Josheena Jose (Assistant Professor, Dept. of Commerce), Ms. Greeni K I (Assistant Professor, Dept. of Chemistry) was the resource persons for the workshop. Digital valuation represents a sophisticated approach to educational assessment that goes beyond traditional evaluation methods. It encompasses the comprehensive process of measuring and analyzing educational outcomes using advanced technological tools. The proposed training program takes a holistic approach to digital assessment education. It is designed to systematically address the technological and pedagogical gaps in current assessment practices. The program begins with foundational modules that introduce educators to the fundamental concepts of digital

assessment, gradually progressing to more advanced techniques of technological integration in evaluation processes. The hands-on training session came to an end by 4:00pm with a vote of thanks by Mr. Bibin Thomas, Assistant Professor, Dept. of Functional English.
