## Details of Activities under MoU

### Introduction

The Memorandum of Understanding (MoU) signed between the Department of Commerce Taxation and Finmark Training Institute on the topic of "Fundamentals of the Capital Market" marks a strategic partnership aimed at providing students with essential knowledge and skills in the field of capital markets. This collaboration is designed to enhance financial literacy and prepare students for careers in finance by offering specialized training, workshops, and resources focused on understanding the mechanisms of stock markets, securities, trading, and the regulatory environment.

The MoU outlines the responsibilities of both parties in organizing educational programs, facilitating expert-led training sessions, and developing course materials. Through this partnership, students will gain practical insights into capital market operations, equipping them with the knowledge needed to navigate the financial sector. The agreement aims to

bridge the gap between academic learning and real-world financial expertise, contributing to the professional growth of students.

### Activities conducted:

Under the MoU between Department of Commerce Taxation and Finmark Training Institute, several activities have been conducted to enhance students' understanding of the capital market. These include expert-led workshops, seminars, and structured training programs covering topics such as stock markets, investment strategies, and risk management. Certification courses were offered to provide recognized credentials in capital market fundamentals. Additionally, students participated in industry visits to financial institutions, guest lectures by market professionals, and finance-related competitions. Internship opportunities and access to real-time trading simulators and financial tools were also provided to give students practical exposure to the financial industry.

### Specific Outcomes: (What, why, Impacts)

1. **Enhanced Financial Literacy:** Students gained a thorough understanding of capital market fundamentals, including stock exchanges, securities, and trading mechanisms.
2. **Practical Skill Development:** Hands-on experience in trading, risk management, and investment strategies through access to real-time market tools and simulations.
3. **Career Readiness:** The training programs and activities helped students become better prepared for careers in finance, with a solid foundation in market dynamics and financial decision-making.
