DETAILS OF FUNCTIONAL MEMORANDUM OF UNDERSTANDING (MoU)

The MoU outlines the responsibilities of both parties in organizing educational programs and facilitating expert-led training sessions. Through this partnership, students will gain practical insights into market operations, equipping them with the knowledge needed to navigate the financial sector. The agreement aims to bridge the gap between academic learning and real-world financial expertise, contributing to the professional growth of students.

Activities conducted:

Under the MoU between Department of Commerce- B. Com Professional and CII, several activities have been conducted to enhance students' understanding of the areas of market and how to develop their leadership and presentation skills etc. These include expert-led workshops, seminars, and structured training programs covering various topics. Additionally, students participated in industry visits to financial institutions, guest lectures by market professionals, and finance-related competitions. Internship opportunities and access to real-time trading simulators and financial tools were also provided to give students practical exposure to the financial industry.

Specific Outcomes: (What, why, Impacts)

1. **Enhanced Financial Literacy:** Students gained a thorough understanding of financial market fundamentals, including stock exchanges, securities, and trading mechanisms.
2. **Practical Skill Development:** Provide trainings for their presentation skill development, risk management, and investment strategies through access to real-time market tools and simulations.
3. **Career Readiness:** The training programs and activities helped students become better prepared for careers in finance, with a solid foundation in market dynamics and financial decision-making.
