Details of Activities under MoU

Introduction

Strategist, Kochi is an organization focused on business consulting and business modeling with an excellent track record of having delivered substantial value to a wide variety of institutions in the public and private sectors and academia. Consulting assignments primarily include business model design, learning content development and delivery as well as financial planning and advisory services (individual and corporate). At present, Mr. Jomon Joseph is the CEO and the promoter of 'The Strategist'. Mr.Jomon began his career with a major broking house in Mumbai having served as Senior Analyst, Head of Research, and Financial Planner

Activities conducted:

The Department of Computer Science, in collaboration with The Strategist under an MoU, successfully conducted a Microsoft Excel Specialist certification program available to students from all streams. This initiative led to a significant number of students earning

their certification during the academic year. The achievement marks a notable success under this MoU, showcasing the department's commitment to enhancing students' technical skills and providing them with valuable opportunities for professional development.

Specific Outcomes: (What, why, Impacts)

1. The collaboration enabled our students to obtain Microsoft Excel Specialist certification.
2. Faculty members also had the opportunity to become certified Microsoft Excel Specialist trainers.

Microsoft Excel is one of the most important because of the key role it plays in many sectors. It is the most used spreadsheet program in many business activities, classwork and even personal data organization. Our first batch on Excel Certification for the academic year 2023-2024 started on June 13th, 2023. The name of the certificate course offered is **Microsoft Office Specialist-Excel Associate**. The time duration of the course is 30 hours. The course consists of main four modules that includes application methods that a person uses in day today life.

Our batch included a total of 50 students out of which 1 student was B.Sc Maths pass out student, 34 students were from BBA, 10 students were from M.Sc.CS and M.Com and 5 of them were faculties of Computer Science Department. In this way, those students were given a second chance for appearing the exam. The course was completed on time. All the students must attend three mock tests that marks their eligibility for attending the final certification examination. The final exam of the certification course was scheduled on August 3rd, 4th and 5th, 2023. One student of BSc Maths, Cerine Maria scored 1000/1000 in the main exam and was awarded trophy as a token of appreciation. A total of 52 students joined the class and 43 students appeared for the exam, out of which 38 students cleared the exam. But unfortunately, 5 students failed to pass the certification course. The course for this batch ended with a pass percentage of 88%.

Students Achieved specialization in subjects:

- Microsoft Excel
- Academic Excellence
