CERTIFICATE COURSE

(SKILL TRAINING FOR DEVELOPMENT COMMUNICATION)

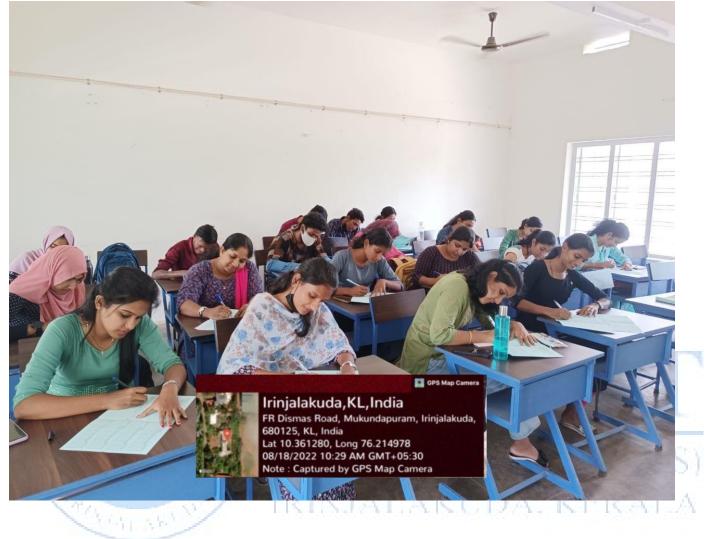

A certificate course is provided from the department of social work for the students who are enrolled in from the department of social work. One of the sessions of the certificate that began on December 28,2022 had been conclude by March 20, 2023. Another session had begun on November 14, 2023 ands is still continuing. This certificate concentrates in developing the communication skills.

The main objective of this certificate course is to help the students equip with better communication skills and presentation skills. The course is provided through detailed explanation of the basic concept of communication, its meaning, purpose, success stories, innovations and trends. Group communication skills is enhanced through different presentation softwares like Microsoft, google, ubunbtu, and more. This also focuses on the presentation skill, types of presentation, posters, traditional medias like puppetry, drama and street play. The communication and writing for print media are also provided through this course. It includes types of print media, production of various print media like pamphlets and leaflets. The last module focuses on the electronic media, writing for broadcast and web and also gives an introduction to photography.

There were 55 students enrolled and completed their certificate course. And now 68 students who have enrolled and continues their course. The main intention of this course is to provide and enhance students with effective communication and writing for different medias and role of different medias in development communication. It is a 40 hours course that helps students in master in the area of communication.
