IIT -JAM Coaching (2023-24)

Post Graduate and Research Department of Mathematics, Christ College Irinjalakuda, in

collaboration with Mathlab Cochin, organized a comprehensive coaching program for the IIT

Joint Admission Test for MSc (IIT JAM), with a focus on preparing undergraduate students

aspiring to pursue postgraduate studies in Mathematics. The coaching sessions were designed

to enhance students' theoretical knowledge, and problem-solving abilities, which are essential

for success in this competitive exam.

Coordinator: Dr. Tintumol Sunny

Joint Coordinator: Ms. Mary Pauly K

Objective

The primary objective of this coaching initiative was to:

1. Equip students to excel in the IIT-JAM and other entrance exams for M.Sc.

Mathematics programs at reputed institutions by familiarizing them with the exam

structures and syllabi.

2. Provide guidance on syllabus topics and frequently tested concepts.

3. Equip students with effective problem-solving strategies.

Structure of the Coaching Program

The coaching was started on November 2023 for the 2022-25 Batch students (second year B.Sc

Mathematics students). The topics covered included:

• Linear Algebra

• Sequence and series of Real numbers

• Integral Calculus

Differential Equations

Functions of one variable.

Faculty Involvement

The sessions were led by faculty members with expertise in each topic, who ensured that complex concepts were taught in an accessible manner.

- **Interactive Lectures**: Emphasis was laid on interactive teaching, with faculty encouraging students to ask questions and engage in discussions.
- **Practice Tests**: Mock tests based on IIT JAM's format helped students assess their knowledge and time-management skills.
- **Doubt-Clearing Sessions**: Additional sessions were organized to address individual queries and provide personalized feedback.
- **Resource Materials**: Comprehensive study materials, including notes, previous years' question papers, and practice sets, were provided.
