REPORT

Christ College, in collaboration with Lead IAS Academy, Thiruvananthapuram, Kerala, organized a year-long foundational coaching program for first-year undergraduate students. The program, which began on August 19, 2023, covered core subjects such as Economics, Indian Polity, Indian History, Geography, and Environment. Additionally, students were provided with valuable exposure to answer writing for the Essay and Ethics papers of the Civil Services Mains examination.

The coaching program commenced with a batch of 31 students from various first-year degree programs at the college, with weekend classes held on alternate Sundays every month. In January, students had the unique opportunity to interact with Mr. Febin Jose I.R.S, who visited the campus to engage with the students as part of the program. Alongside the subject teachings, students were also kept updated with news briefings from major newspapers such as The Indian Express, The Hindu, and Hindustan Times.
