5th June 2023

On 5th June 2023, World environment day was celebrated by Christ college NCC. The event fostered a sense of awareness about environmental issues and promote sustainable practices among the cadets. We started our programme by 9:15 am. The event commenced with an inspiring message by our respected principal Dr. Fr. Jolly Andrews CMI, who emphasized the urgency of adopting sustainable practices and the role of educational institutions in shaping a greener future. To commemorate environmental day a tree planting initiative was organised. The event took place in a designated area in the NCC office with appropriate soil conditions and sufficient space for the trees to grow and thrive. The trees were planted by our principal, Our ANO Lt. Dr. Franco T Francis and by the cadets. The environment day saw active participation from 64 cadets under guidance of LCPL Ashlin K Asok. The program ended at 11:00 a.m. the environment day was a resounding success fostering a spirit of environmental consciousness and inspiring the cadets to become change agents in their community
