TREKKING EXPEDITION-2

NCC

DATE: 17-01-2024

On 17 January 2024, the NCC cadets of No 7 COY Company, Christ College Irinjalakuda had a trekking expedition to Chimney Wildlife Sanctuary. The group, consisting of 63 cadets under the mentorship of Lt Dr Fraco T Francis and led by CSUO Ashlin K Asok, trekked through the sanctuary for about 6 km. The primary objectives of the trek, including physical fitness enhancement, team building, and environmental awareness, were successfully achieved. The cadets exhibited commendable teamwork, supporting each other throughout the arduous journey. Activities like map reading were also done during the trek. ANO Lt Dr Fraco T Francis provided invaluable mentorship, ensuring the safety

and well-being of the participants. The event strengthened the spirit of adventure, teamwork, and discipline of Number 7 Company, Christ College Irinjalakuda.

VISIT TO MANGROVES

BIODIVERSITY CLUB

DATE: 10-01-2024

Wetlands are one of the most important ecosystems and play a very important role in maintaining the biodiversity. As a part of celebrating World Wetland Day, Biodiversity club organized a visit to the mangrove forest at Chetuva and Naalumanikaatu. The programme was coordinated by Dr. Bijoy C., Dr. R. Soumya and Ms. Sreelakshmi V. V. Dr. Jain Therattil, Assistant Professor, Department of Zoology, St. Aloysius College, Elthuruth interacted with students and they were provided with on field experience about mangroves. The students became aware of the various adaptations of mangroves, various associates of mangroves (floral and faunal associates). He also created awareness about the importance of Mangrove ecosystem and the various threats leading to the destruction of the mangroves. The students were introduced to two species of Mangroves – Rhizophora and Aevicinia. They also got an opportunity to see vivipary in natural ecosystem.

RAILWAY STATION CLEANING

NATIONAL SERVICE SCHEME (UNITS 20&49)

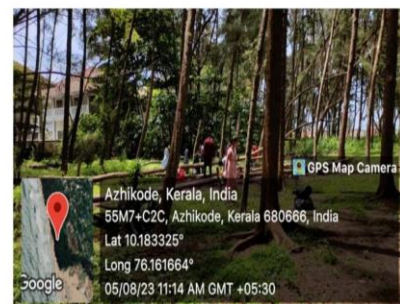

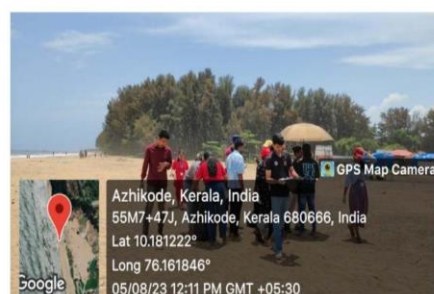

DATE - 01/10/23

On 1st October 2023, volunteers of National Service Scheme (units 20&49) of Christ College (Autonomous) Irinjalakuda involved in cleaning the railway station as part of Swachhata hi seva at kalletumkara railway station. Volunteers cleaned by cutting grass and painting the station.

AZHIKODE BEACH CLEANING

The Social and Charitable Organization of Christ College (Autonomous) Irinjalakuda, Thavanish, took initiative to clean Azhikode beach and its surroundings on 5th August. This was also a part of the selection process of the first year students. Around 50 Thavanish volunteers were accompanied by the staff coordinator of Thavanish, Mr. Thoufееq who also addressed the students. Hadi, student executive, Thavanish, also talked to the volunteers about the necessity of keeping our environment clean. Thavanish has always been keen about keeping the surroundings clean. The organization always brings into attention the importance of cleanliness not just by words, but by action too. Azhikode beach cleaning was one among those and thus showed a great example to the newly joined first year students.

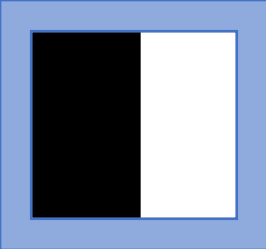

ENVIRONMENTAL DAY CELEBRATION

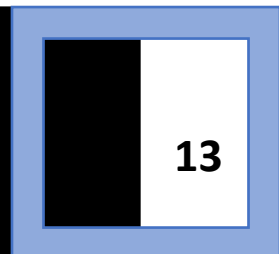

The Social and Charitable Organization of Christ College (Autonomous) Irinjalakuda, Thavanish, visited Pratheeksha Bhavan, school for the differentlyabled at Irinjalakuda as part of Environment Day on 5th June, 2023. The volunteers along with the children of the school planted saplings. Mr. Thoufeeq, staff coordinator of Thavanish also accompanied the students.

Thavanish Executive members Jagan, Alby, Irine, Amrutha, Sajil, Akshara, Athul and other Thavanish volunteers were also present for the program. Thavanish volunteers submitted a request letter to the Forest Department at Chalakudy. Upon receiving a permission letter from the Forest Department, the volunteers collected saplings from the nursery and planted them at Pratheeksha Bhavan.

ENERGY CONSERVATION SURVEY

**CONDUCTED BY BSC PHYSICS (UNAIDED) STUDENTS IN
IRINJALAKUDA
24th FEBRUARY 2024**

In a commendable initiative towards energy conservation, second-year BSc Physics (Unaided) students conducted a survey in the 19th ward of Irinjalakuda municipality on 24th February 2024. The survey aimed to raise awareness about energy conservation and assess the energy usage patterns in the area. The students visited approximately 100 houses, collecting data and distributing notices about energy conservation. Ms. Simmy Jose, the program coordinator, welcomed the gathering, emphasizing the importance of energy conservation in today's world. The program was inaugurated by the ward councillor, Ms. Feni Vellanikaran, and presided over by Prof. V P Anto, Head of the Department of Physics (Unaided). Felicitations were given by Rev. Dr. Wilson Tharayil, Director of Self-financing courses, and Dr. Vivekanandan T, Coordinator of Self-financing courses. The survey not only highlighted the significance of energy conservation but also showcased the proactive efforts of the students in contributing to a sustainable future.
