

# SIKKIM FLOOD RELIEF – FUNDRAISING

20th October, 2023

CSA

On October 20, 2023, CSA held a fundraiser to help with Sikkim flood relief. The funds were gathered from CSA members, their friends, neighbors, and family. A reasonable amount was collected during the campaign. The funds were then given to trusted relief organizations helping in Sikkim to support the affected areas.

**RELIEF TO THE  
FLOOD-AFFECTED  
AREAS IN SIKKIM**

*The situation on the affected areas in Sikkim is critical. Continuous rainfall, coupled with the approaching harsh winter in these hilly areas, has made the mission even more urgent. They are in great need of the following essential items to offer aid and comfort to the affected residents:*

1. Blankets
2. Mats or Mattress
3. Warm Woolen Shawls for mainly, elderly people.
4. Basic Utensils (if possible)
5. Sweaters/ Body Wear (Both male & females)

*The Christ College (Autonomous), Irinjalakuda, in association with organizations Thavanish, CSA, NSS, and the alumni association, is taking the initiative to assist the people in Sikkim during this critical situation. We expect your contributions and cooperation for this cause.*
