COLLEGE (AUTONOMOUS)
IRINJALAKUDA, KERALA

AWARENESS PROGRAMME ON INVASIVE PLANTS AND PLASTIC WASTE MANAGEMENT

(World Meteorological Day 2024) - 23rd March 2024

The club organized awareness programmes like plastic waste management and uprooting of invasives to the cleaning staffs of the college. The class was taken by the student coordinator, Poornima as part of the campaign called uprooting the invasives to manage the invasive alien plants of the campus through student involvement. In connection with World Meteorological Day, an awareness about the plastic waste management was also conducted on 23rd March 2024.
