

OZONE DAY CELEBRATION

DEPARTMENT OF CHEMISTRY

15th September, 2023

The Department of Chemistry, Self-Financing has organized a “Face Painting Competition and Logo making competition” on the eve of 15th September, 2023, regarding Ozone Day celebration. The main aim is to remind the world about the depletion of the ozone layer and its consequences. The event commenced with a formal inauguration ceremony of Dr. Vivekanandan P, the coordinator of Self-Financing Programmes, the inaugural speech emphasized the importance of the ozone layer and the need for continued global efforts to protect it. Attendees were reminded of the substantial progress made since the implementation of the Montreal Protocol and the critical role it plays in safeguarding the Earth. The Face painting competition was based on the topic: “Ozone Depletion and Green Earth”. The Prizes for Face Painting Competition and Logo making competition was given by Rev. Dr. Jolly Andrews CMI and Rev. Dr. Wilson Tharayil CMI.
