OSHC

All international students (and their dependents) require Overseas Student Health Cover (OSHC) for the duration of their student and student dependent visas. RMIT can arrange OSHC coverage for you through our official and preferred supplier, Medibank. Fees quoted on the offer letter are indicative and are subject to change on 01 May each year. Alternatively, you can choose to purchase OSHC yourself from an approved Australian health insurance provider.

If you request RMIT to arrange your OSHC, you consent to RMIT providing your personal information, including your name, student ID, birthdate and program start and end dates, to Medibank for the purposes of scheduling your OSHC. You also consent to RMIT representing you in relation to any dealings with Medibank and for RMIT to receive information from Medibank about you (including information of a personal and/or sensitive nature).

In the event of change of preference, change of program or program deferral, you permit RMIT to adjust the duration and amount of your OSHC based on your program acceptance/s.

If you have accepted your offer and your payment has not been received and/or you are unable to provide the required documentations to meet outstanding conditions (if applicable) by 11.00 AM (AEST) of 30 April in that particular year, you may be subject to the new OSHC rate once your acceptance is finalised.

For more information about OSHC, please visit: <https://www.rmit.edu.au/study-with-us/international-students/apply-to-rmit-international-students/student-visas/health-cover-requirements>.

Visas and Change of Provider (Release)

If you are intending on applying for a student visa or you already have a student visa, RMIT will provide you with an electronic confirmation of enrolment (eCOE) for each program that you accept. Students transferring to RMIT from another Australian education provider, prior to completing six months of your principal course, may be required to obtain a release from the current education provider before an RMIT eCOE can be issued.

If you change your residency or citizenship status once you enrol, your future package (if applicable) may be withdrawn, and you will be required to submit a new application as it relates to your updated residency or citizenship status.

Maintaining your Electronic Confirmation of Enrolment (eCOE)

Your eCOE duration assumes that you will make satisfactory academic progress within the program dates that you enrol. Any changes to your program completion date(s) due to unsatisfactory academic progress or any other reason may require you to extend your Australian student visa. More information about academic progress can be found here: <https://www.rmit.edu.au/students/student-essentials/assessment-and-exams/academic-progress/international-students>

General information about applying for a new eCoe can be found here: <https://www.rmit.edu.au/students/student-essentials/assessment-and-results/academic-progress>
