## How to Accept your Offer

Accepting your offer is easy; simply log into the online acceptance portal where you can complete the following activities. If you have an Agent they will be able to assist you but it's important that you complete the acceptance process yourself.

1. **Conditional Offers** – Upload the documents required to satisfy the conditions listed on your offer letter (if any).

This is your cue to start preparing your visa, travel, and accommodation – if you haven't already!

## Accommodation and Travel

By joining us you may have the option of living at a UWA residential college or in off-campus housing. To find out more and to apply, please go to the [UWA Accommodation website](#).

Make sure you read all the information on obtaining a visa and living in Perth, which you can find on our [International Students website](#). Accommodation on or close to the campus is in high demand, so you should consider this as soon as possible. If you are under 18 years of age at the time you are applying for a student visa you must consult the [University website](#) as soon as possible. You will need to submit the requested information as part of the online acceptance process and follow carefully the procedures outlined.

## Orientation and Enrolling Online

Once you have fully accepted your degree offer and received confirmation from Admissions, and provided you do not have any outstanding conditions or payment due, you will be able to enrol in your degree course online. If you still have outstanding conditions you must submit these to Admissions before you will be able to enrol.

You are required to attend Orientation, which usually occurs one week before your course starts. You can check on [UniStart](#) for specific details regarding your Orientation, or you may have received separate information regarding your Orientation. [UniStart](#) is UWA's online resource to get you started. It contains information about online course enrolment, the class allocation system (CAS), as well as details for mandatory Orientation events. You can access [UniStart](#) prior to arriving on shore.

The University has a preferred provider agreement with Medibank. If you had previously indicated on your application that you wish for us to arrange OSHC on your behalf, you are required to include payment of the OSHC amount specified above with your tuition fee.

Should you take up this offer, the health cover will commence at least two weeks prior to the start of the course, and up to 3 months following the end of your course. If you are not present in Australia for the full duration stated above you may be eligible for a refund of unused health cover. The Medibank Comprehensive OSHC is only available through universities. For more information please visit the [Medibank website](#). The OSHC fee listed above is based on the premium for the year your offer was made. The OSHC fee is subject to annual review and may change.

Alternatively, you can arrange your own OSHC and provide proof of this when accepting your offer.

## Additional Fees and Charges

A compulsory Student Services Amenities Fee (SSAF) is payable for each year or part of year of study in your degree course. An electronic notification will be emailed to your UWA

In other instances information collected on this form or during my enrolment may be disclosed without my consent where authorised or required by law in accordance with the Privacy Act 1988.
15. I agree to abide by the [University Policies Relating to Students](#), and I have read and understand the information supplied at the [International student essentials page](#).
